An Integrated Approach Resulting in Holistic Solutions

BBJ Group has been addressing environmental, safety, and sustainability needs for over 20 years. We have a special expertise in providing solutions to difficult problems when the path is not clear. Our approach starts by considering the client's end goal from the perspectives of science, regulation, and business.

Diverse Clientele

We serve many different government and non-government markets.

- Manufacturing
- Telecommunications
- Real Estate
- Finance
- Oil and Gas
- Chemical
- Private Equity
- Law
- Mining
- Municipalities
- Dept. of Defense
- State Agencies

The BBJ Group Advantage

Balancing Science and Business Consider the overall strategy of the firm to find the proper perspective between science and business

Clarifying the Complex Provide clear, creative solutions to murky technical matters

Client-Centered Responding to our client's needs as a trusted advisor

Anticipating Future Needs We meet our clients' current needs while taking a broader perspective that also anticipates future needs

Partnership and Growth We provide a conducive environment for staff to grow so they can better serve our clients
