

# Accessing Alberta Health Service's Healthcare Worker Screening

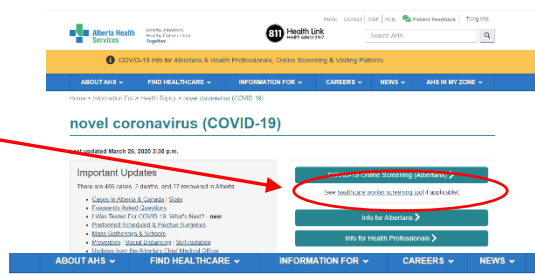

If you are experiencing symptoms of illness or have been directed to complete the screening for Healthcare Workers through the Alberta Health Services (AHS) website, follow these instructions:

1) Go to the AHS website [www.albertahealthservices.ca](http://www.albertahealthservices.ca)

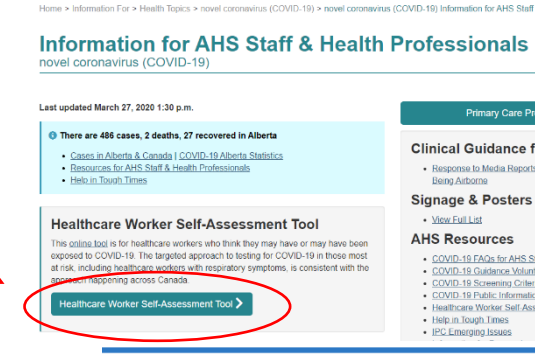

2) Select the COVID-19 Online Screening

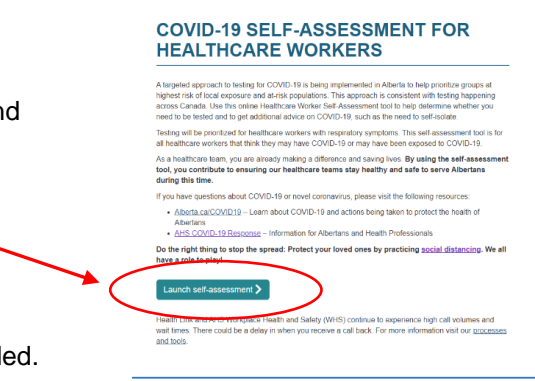

3) Click on **healthcare worker screening tool** located on the right-hand side of the AHS COVID-19 page

4) Click on the **Healthcare Work Screening Tool** button on the Information for AHS Staff & Health Professionals page.

5) Read the accompanying message on the website and click on the **Launch self-assessment** button.

6) Complete each question and follow directions provided.

If you are recommended to self-isolate and be tested for COVID-19, provide the contact information in the spaces provided.

You will be contacted to confirm your possible exposure, a referral for testing, and next steps.

### You must immediately self-isolate. You may need to be tested for COVID-19.

**You must self-isolate until you receive further instruction.**

- Do not visit a hospital, physician's office, lab or healthcare facility without consulting health line (311) first.
- Do not go to any public places.
- Stay at home, and don't have any visitors.
- Do not attend work, school, social events, or any other public gatherings.
- Do not leave your home for deliveries, errands, or errands.
- Wash your hands often.
- Avoid close contact with other people, especially those with chronic conditions, a compromised immune system, or seniors (over 65 years of age).

If your symptoms worsen, call 911. We are experiencing heavy call volumes and will get to your call as quickly as we can.

Call 911 if you are seriously ill and need immediate medical attention, return them that you may have COVID-19.

**Please provide your contact information and healthcare number below. You will be contacted to confirm your possible exposure, a referral for testing, and next steps.**
