

SHOPPERS' VIEW

**FIRST ASSIGNMENT AS A SURVEY ANALYST/STORE EVALUATOR AT WALMART ASSIGNMENT TARGET:
WALMART STORE**

We welcome you to our team of SURVEY ANALYST/STORE EVALUATOR for SHOPPERS VIEW RESEARCH. This letter explains your assignment, kindly read the letter on how to complete your assignment. If after reading through, you have any question(s) feel free to [contact us](mailto:contact.us@brriananthony.com) at [brriananthony.com](mailto:contact.us@brriananthony.com) or – 650-300- 8714

Enclosed with this instructional letter will be a security deposit in the form of a cashier's check from us which you

would use in completing this Assignment and also take your own salary. Kindly note that the amount on the cashier's check would be used to carry out your first, second and third assignment inclusive of your wages, That implies that you have received a single payment for about 3 different assignments inclusive of your wages. This assignment needs to be completed within 72 hours and we work with our clients schedule to Accommodate their needs. Below are the steps by step instructions on how to complete the assignment.

Step 1 Please go ahead and send a text to 650-300-8714 using the term "ASSIGNMENT RECEIVED" this would enable us to have a record that

the assignment has been delivered.

Step 2 Please go ahead and deposit the funds at your bank, it is important you collect a deposit receipt. After the deposit is made, you are to send a text immediately to 650-300-8714 using the term "FUNDS DEPOSITED" it is mandatory you follow this steps as this would enable us authorize the issuing bank to release the funds into your account within 24 hours. You are to deduct your wages of \$320 once the funds are available and you would use the remainder of the funds to carry out your assignment at Walmart, the assignment is divided in two parts, you would make use of the walmart money center for your first assignment and for the second assignment you would shop at the same walmart store and we would provide you with the list of items to purchase and tell you what to do with these items, for your first assignment using the Walmart Money Center platform we would explore one the new product of the Money Center known as Walmart to Walmart Financial Services, the whole idea is to conduct a business transaction at the store. We would provide adequate information about this later on. The remainder of the funds would be used to conduct your first, second and third assignment. The company policy states we should have your first assignment conducted one step after the other one simply because we do not want you to make any mistake since it's your first assignment and simply not to make the assignment tedious or cumbersome. You **must** not disclose your identity to any of the staffs, once they know you are at the store to evaluate and write a report about the store they would want to be nice and also render adequate services. Your report would enable us to make corrections and improve the store for a better service to other customers, your report would be used at the end of every month when the store is about to have their monthly appraisal on their staffs across the country.

Step 3 You are required to check your account balance online after 24 hours after the deposit has been made, which is usually the time frame

required for funds to be processed and made available in your account. We would also require that you notify us by sending a text 650-300-8714 using the term "FUNDS AVAILABLE"

Step 4 After the notification of availability of funds have been received by our company, you are to deduct the agreed salary of \$320 and we would also send you instructions on what your assignment entails at the Walmart Money Center, you can have this assignment completed at any walmart store close to you, the most important thing is to write down the address of the exact store the assignment would be completed while writing your survey report to us. Your assignment would only take 10 to 15 minutes of your time, moreover the earlier you have your assignment completed, the quicker your next payment for the next assignment is processed. You would write a report about the customer services and also send your report back to us, you would also have to use the following pointers to prepare your report:

- 1) How long it took you to get services.
- 2) Ambience/Outlook of the shop/Outlet.
- 3) Smariness of the attendant.
- 4) Customer service professionalism
- 5) Reaction of personnel under pressure.
- 6) Information/suggestion(s) you think might be necessary or useful.
- 7) Your comments and impressions.

Above all, the first thing you should do is to have the payment deposited into your bank account then go ahead and send a text to 650-300-8714 informing us once the deposit is made to enable us to authorize the issuing bank to make the funds available for you within 24 hours to facilitate the completion of your assignment.
