Introduction

This Agreement is a contract between you and Thrivent Federal Credit Union that outlines the terms and conditions for receiving electronic periodic statements for your accounts with us ("E-statements"). Some of the terms set forth in this Agreement are governed by the Electronic Funds Transfer Act ("EFT Act"), which is only applicable to consumers. Business account holders are not entitled to the rights provided under the EFT Act.

By submitting a request for E-statements and selecting the "Accept" button below, you agree to the following terms and conditions:

- Electing to obtain your periodic account statements from Thrivent Federal Credit Union ("us" or "our") electronically on an ongoing basis through our Online Banking website;
- Agreeing to receive electronically any other disclosures or notifications, including IRS electronic information, that we routinely include with or on your periodic account statements;
- Requesting us to discontinue the mailing of printed account statements for the accounts for which you are electing to receive E-statements; and
- Consenting to and acknowledging that you have read, understand and agree to be bound by the following terms and conditions, together with any additional terms pertaining to E-statements contained on our Online Banking website.

E-statement Access

To receive E-statements you must be enrolled in Online Banking (not Internet Banking); have a PC with Internet access; have access to a printer or available storage space on your PC to retain a copy of the file; and maintain a valid and active e-mail address. If at any time your e-mail address changes, you must notify us immediately.

Your E-statement for each account for which you elect to receive E-statements will include transaction activity and balance information, electronic funds transfers, and images of checks that have cleared your account, as applicable to each such account.

In order to access your E-statement electronically, you must log onto our Online Banking website at www.thriventfcu.com via the Internet, use your User ID and Password to access your account, and click on the E-statement button to obtain your E-statement. Each of your E-statements will remain accessible on Thrivent Federal Credit Union's website for at least 12 months after we notify you of its availability. There may be a gap in the historical statements available online for some types of accounts if you do not enroll immediately at the time the account is first opened. Following your enrollment in E-statements, you may begin viewing your periodic statements online beginning with your next statement cycle.

Accounts

If an account is owned jointly with another person, either one of you may consent to receive E-statements and that person's election to receive and access E-statements shall apply to both of you.

4. Enter the "Security Verification Code" at the bottom of the consent document to switch from paper statements to eStatements.

BY YOU OR ANY THIRD PARTY, WHETHER IN AN ACTION IN CONTRACT OR TORT OR BASED ON A WARRANTY OR ANY OTHER LEGAL THEORY, FURTHER, IN NO EVENT SHALL THE LIABILITY OF THRIVENT FEDERAL CREDIT UNION AND ITS AFFILIATES EXCEED THE AMOUNTS PAID BY YOU FOR THE SERVICES PROVIDED TO YOU THROUGH ESTATEMENTS.
