ILLUSTRATIVE EXAMPLE: CHECKOUT

KEY THINGS TO NOTE

- Checkout is available to US consumers only (consumers outside the US will see View on Website button)
- Checkout is organic only; there currently are no paid advertising formats available
- Once live on checkout, all shopping tags going forward will be checkout-enabled. Businesses cannot revert back to posting offsite shopping tags
- Businesses will launch with a multi-item, single merchant shopping bag

SOME KEY REQUIREMENTS

BUSINESS

- Your business is registered in the US
- You have a US tax ID (EIN)
- You have a US bank account
- You can ship to US addresses
- You have US state tax IDs where you have a nexus

LEGAL

- Agree with Facebook Commerce Product Merchant Agreement and Commerce Platform Policy

ANNOUNCING SHOPPING FROM CREATORS

INTRODUCING SHOPPING FROM CREATORS

Checkout-enabled businesses can approve creators to tag their products in their feed or stories posts on Instagram

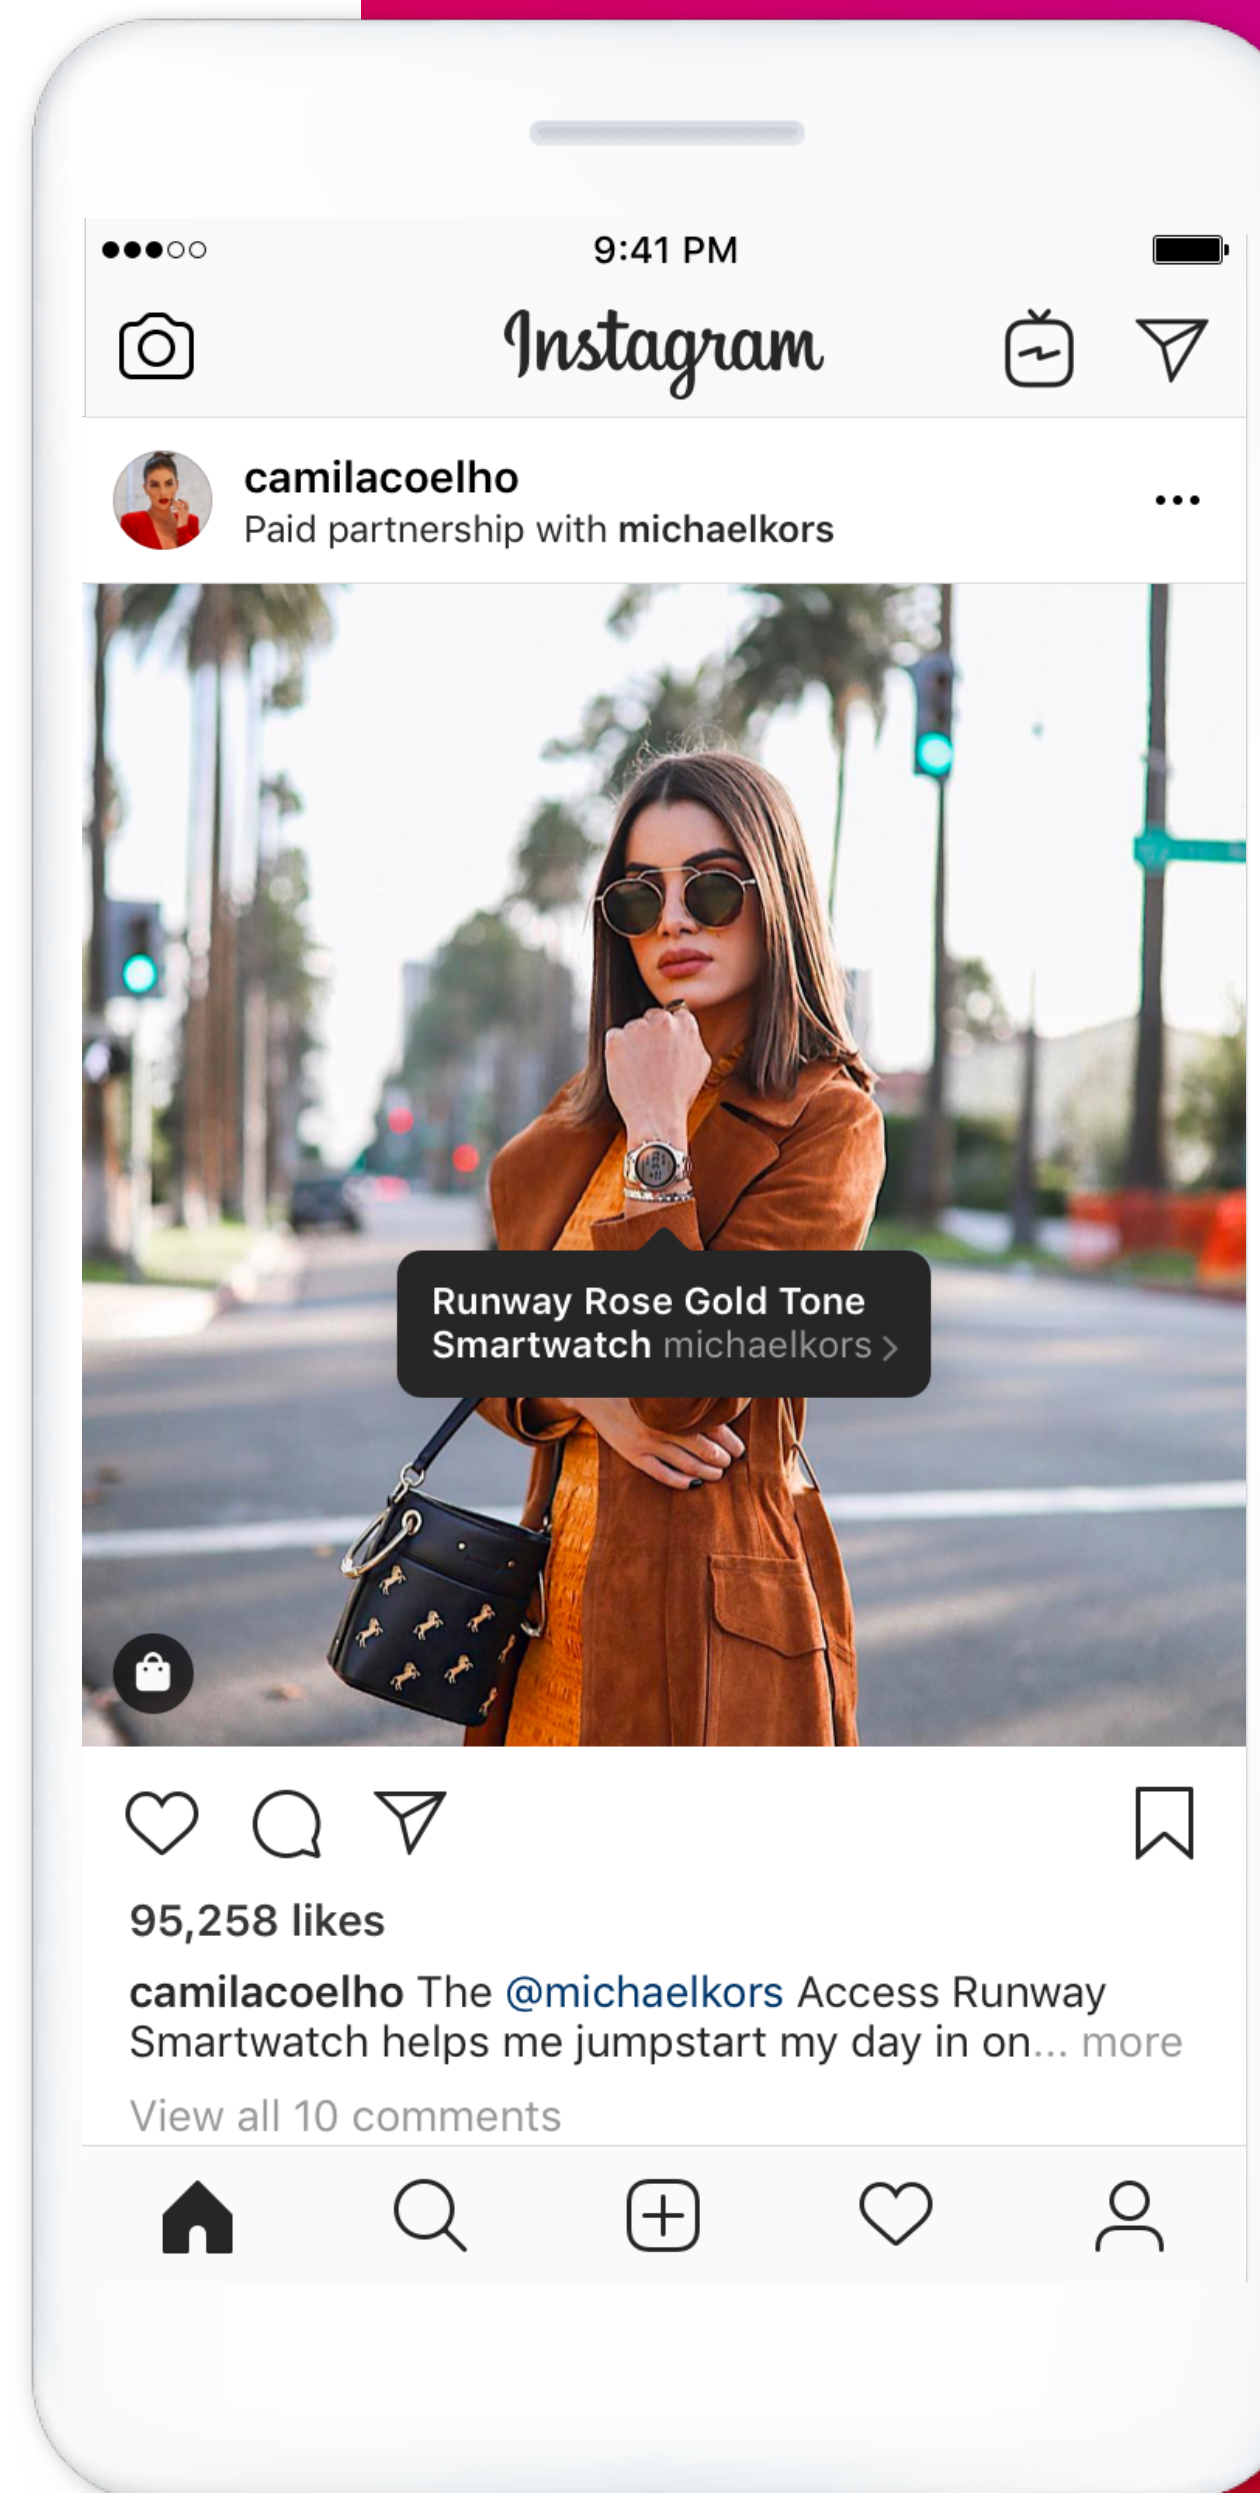

KEY BENEFITS:

Now easier for customers to find and buy your products from creators

Now shoppers can easily discover your products from their favorite creators and simply 'tap' to learn more and even checkout in app*

Shared insights in-app

View in-app insights on the performance of the shopping posts that creators have made featuring your products

INSTAGRAM IMAGE PADDING

- Instagram requires square images at least 600x600 px
- Fashion and apparel images are often not square
- Feedonomics can easily turn portrait or landscape images into square images for Instagram

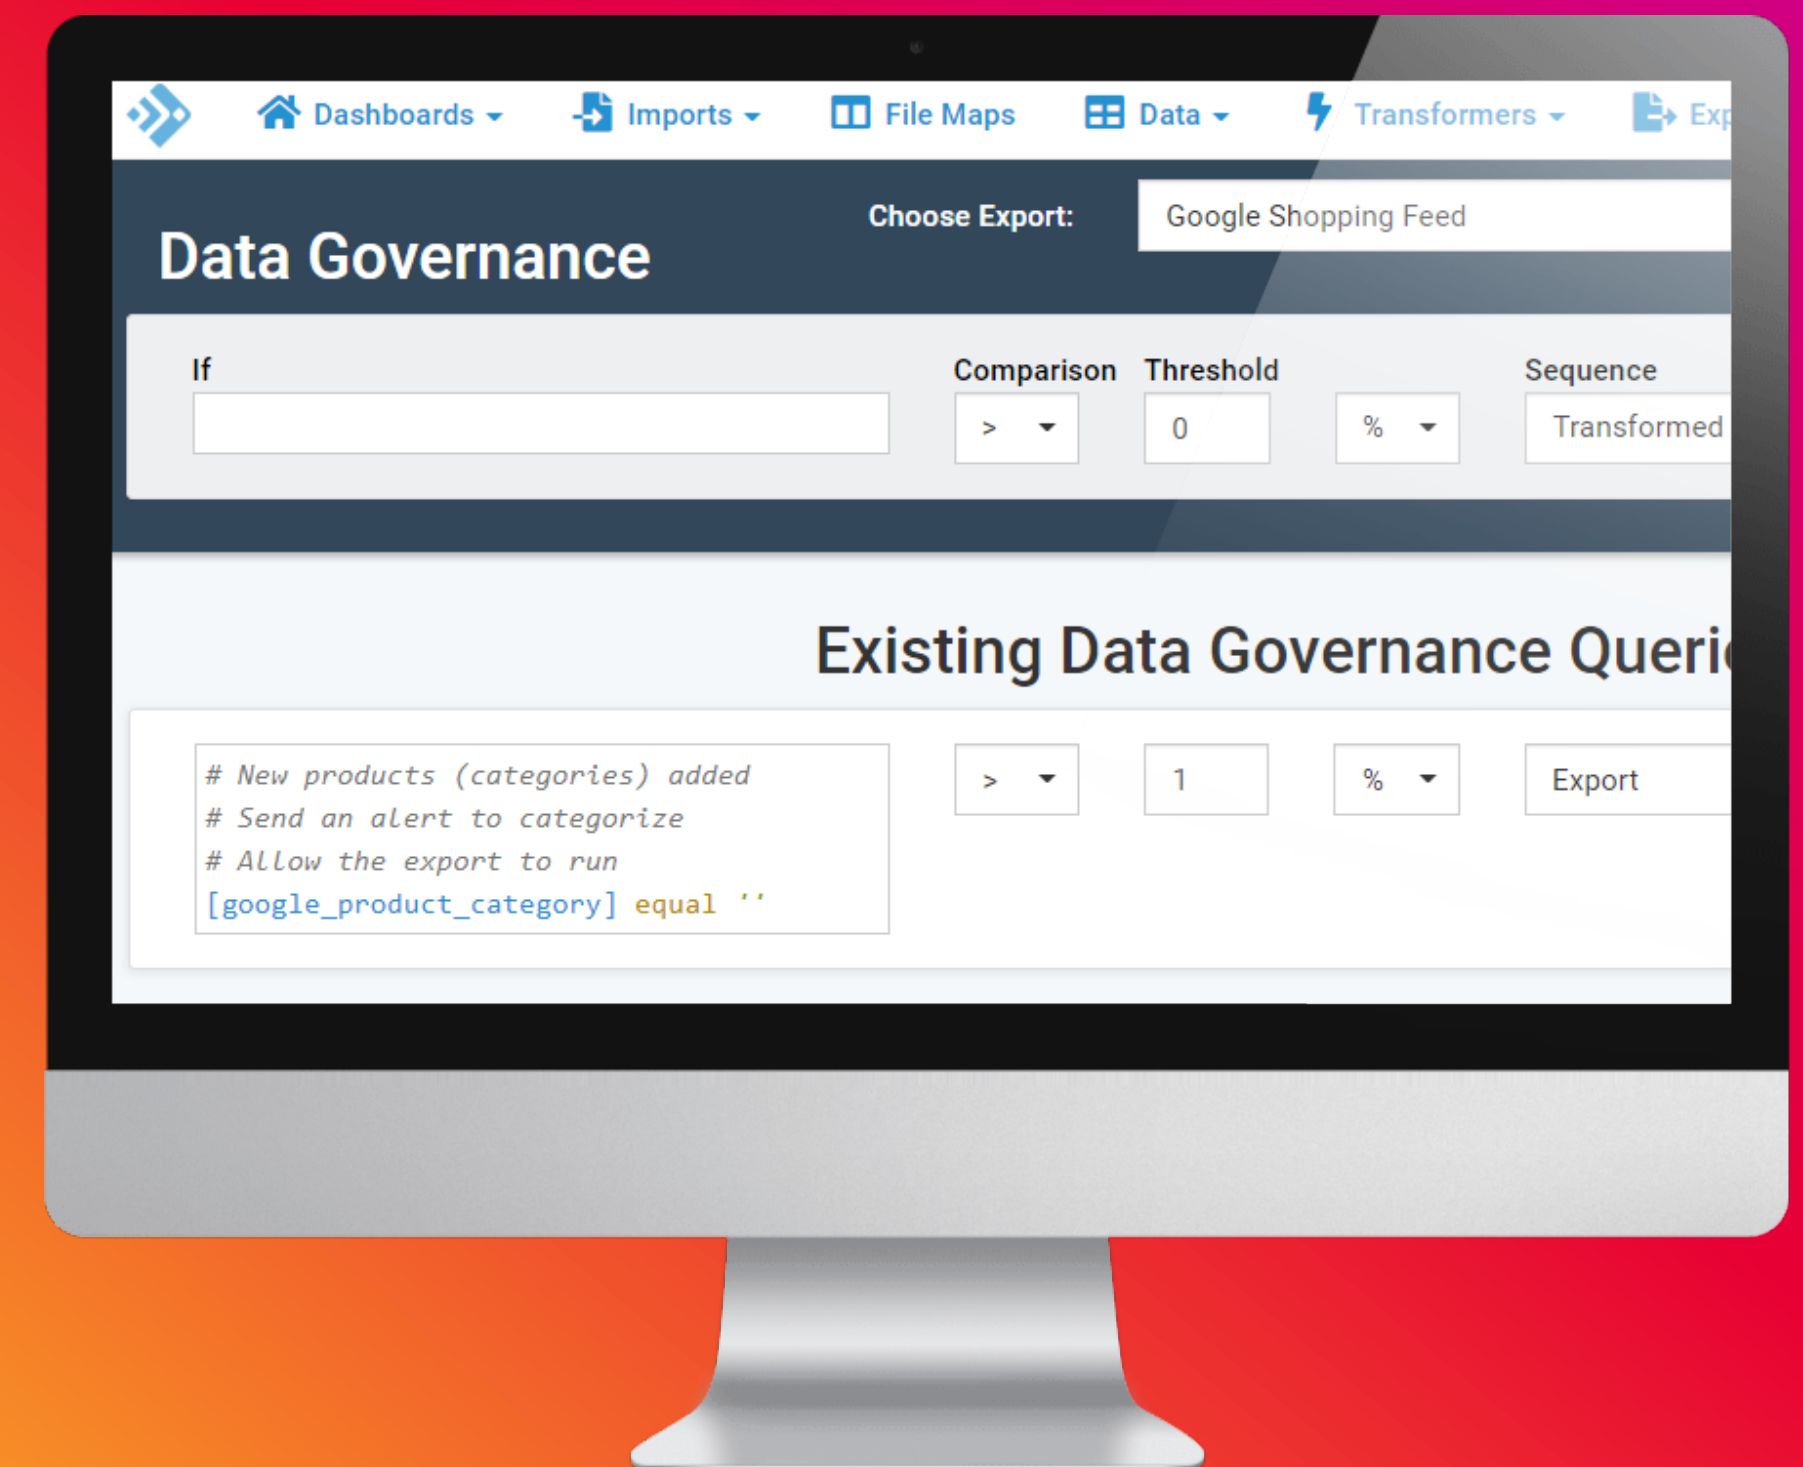

DATA GOVERNANCE

What happens when new products are added to your feed?

Automatically get alerts when:

- New products are added and are not optimized
- Products are not categorized
- Products are missing critical attributes
- *Any* custom condition in your feed

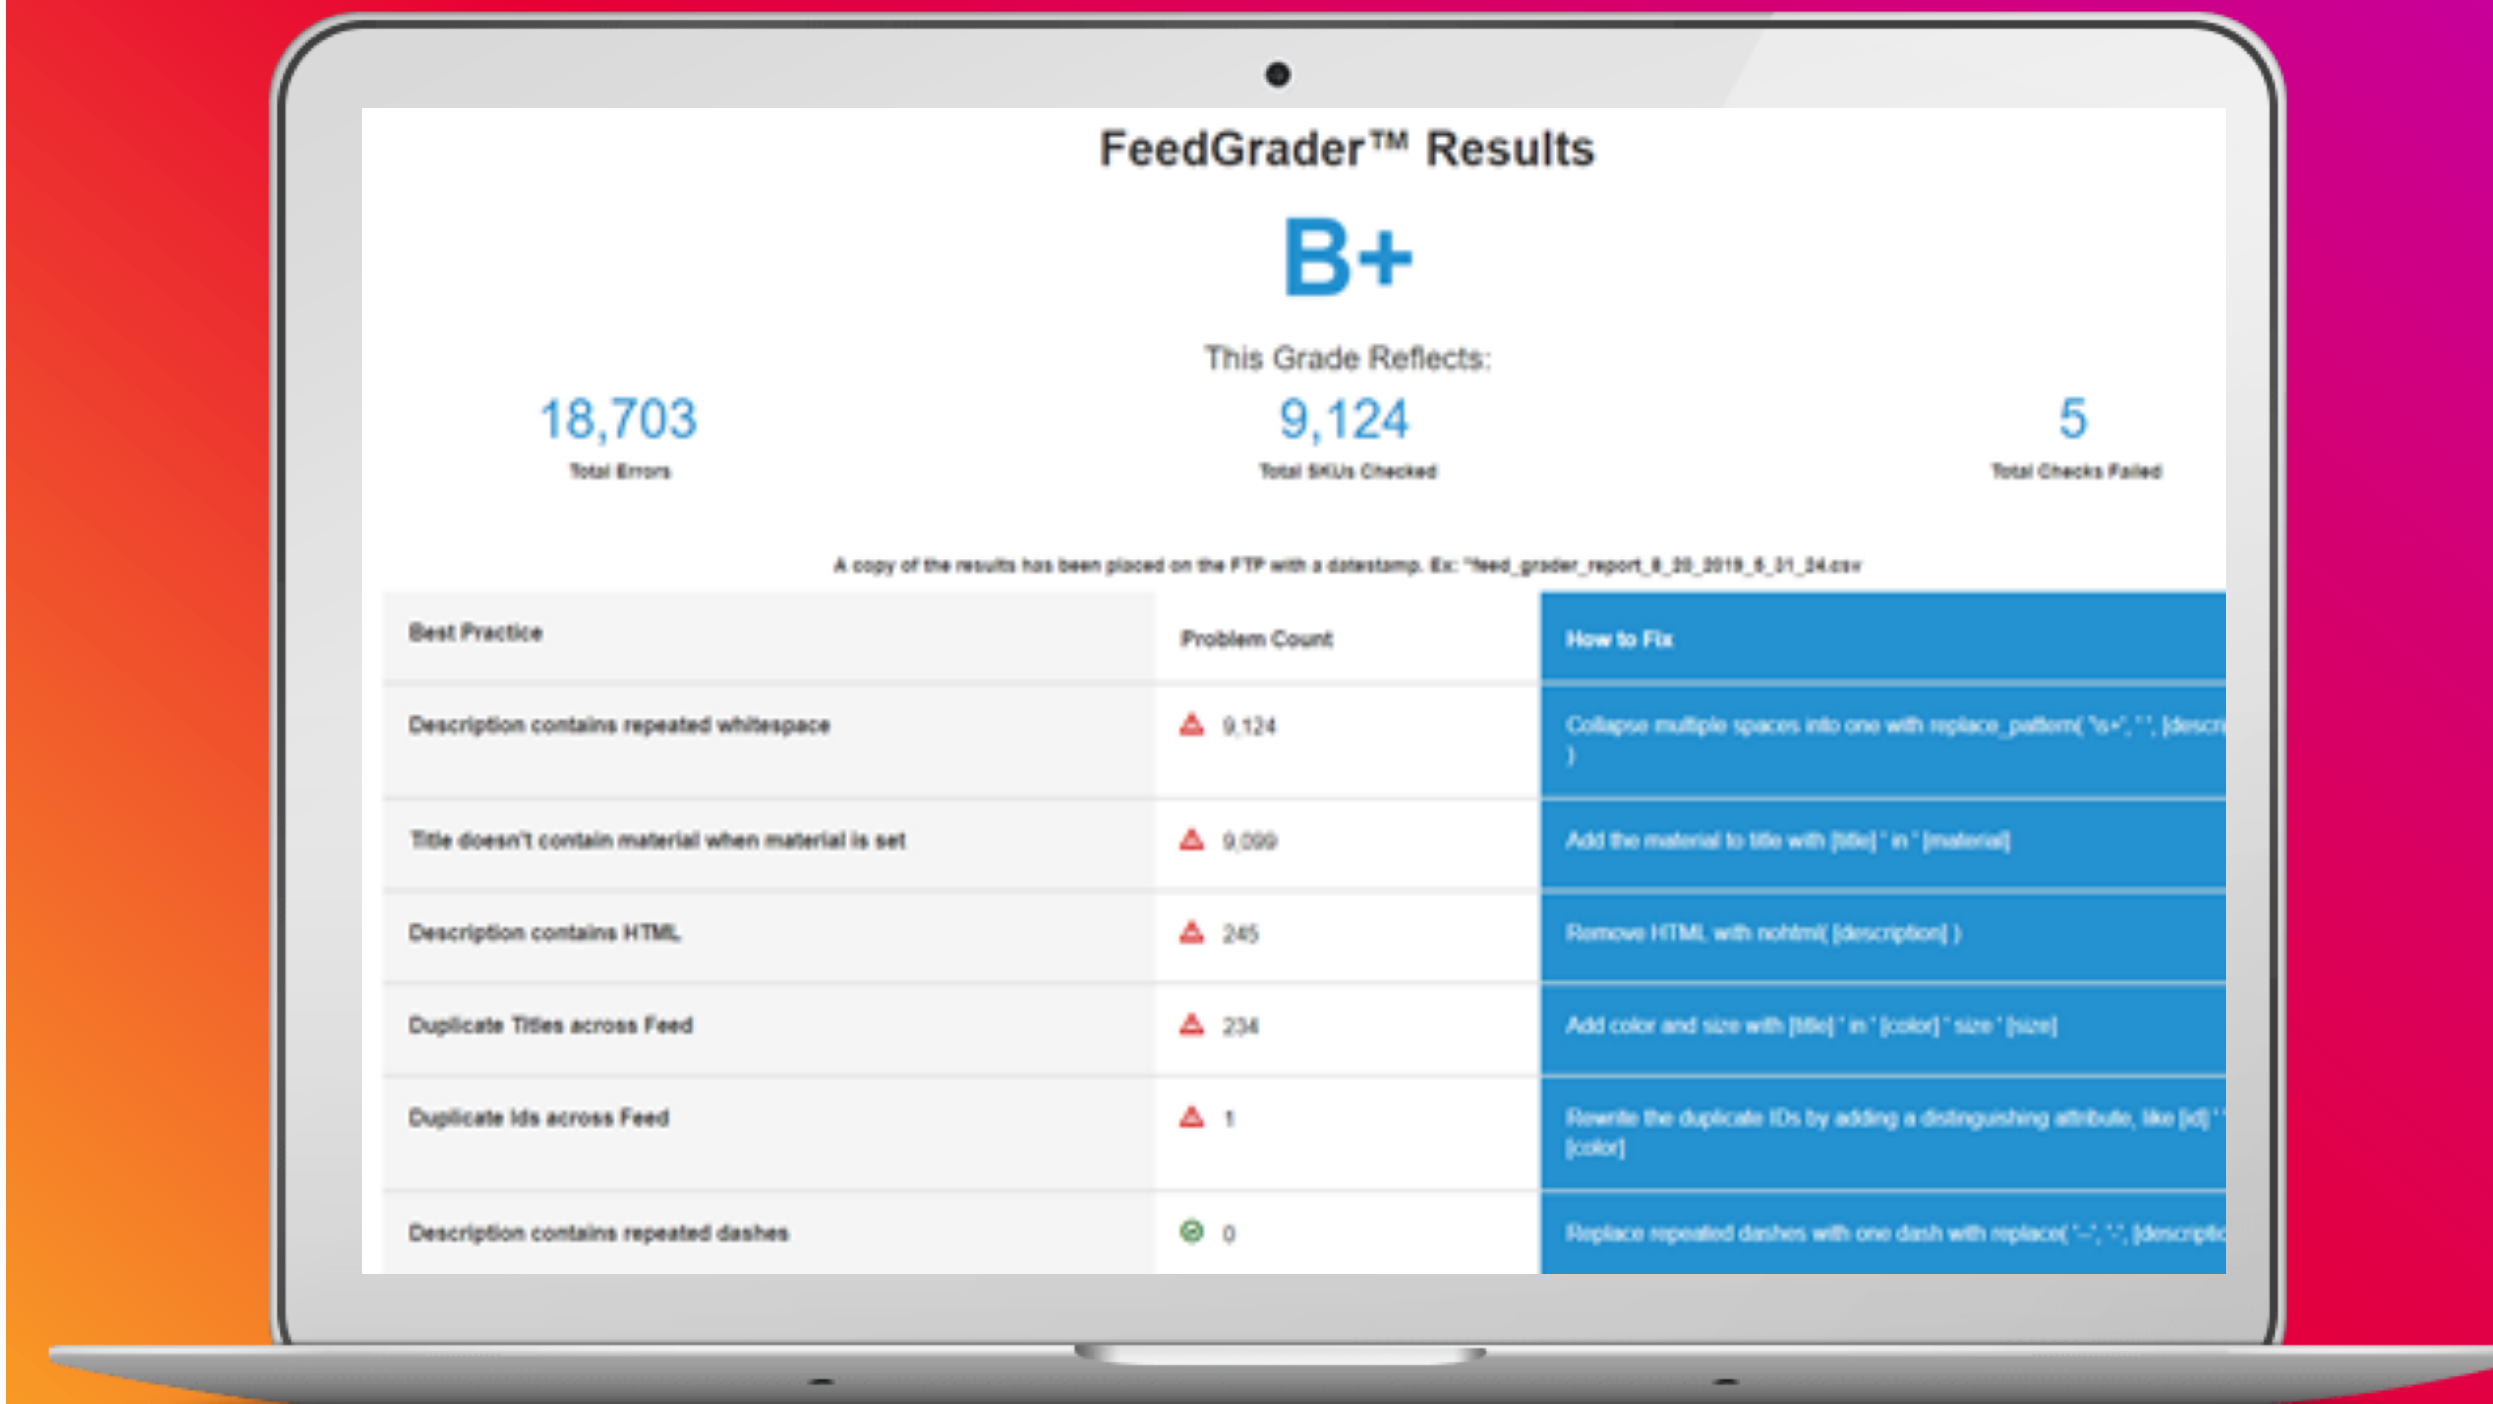

HOW ORDER MANAGEMENT WORKS

1. Orders are pulled from Instagram
2. Orders are inserted into your store
3. Tracking numbers are pulled from your store
4. Tracking numbers are sent to Instagram

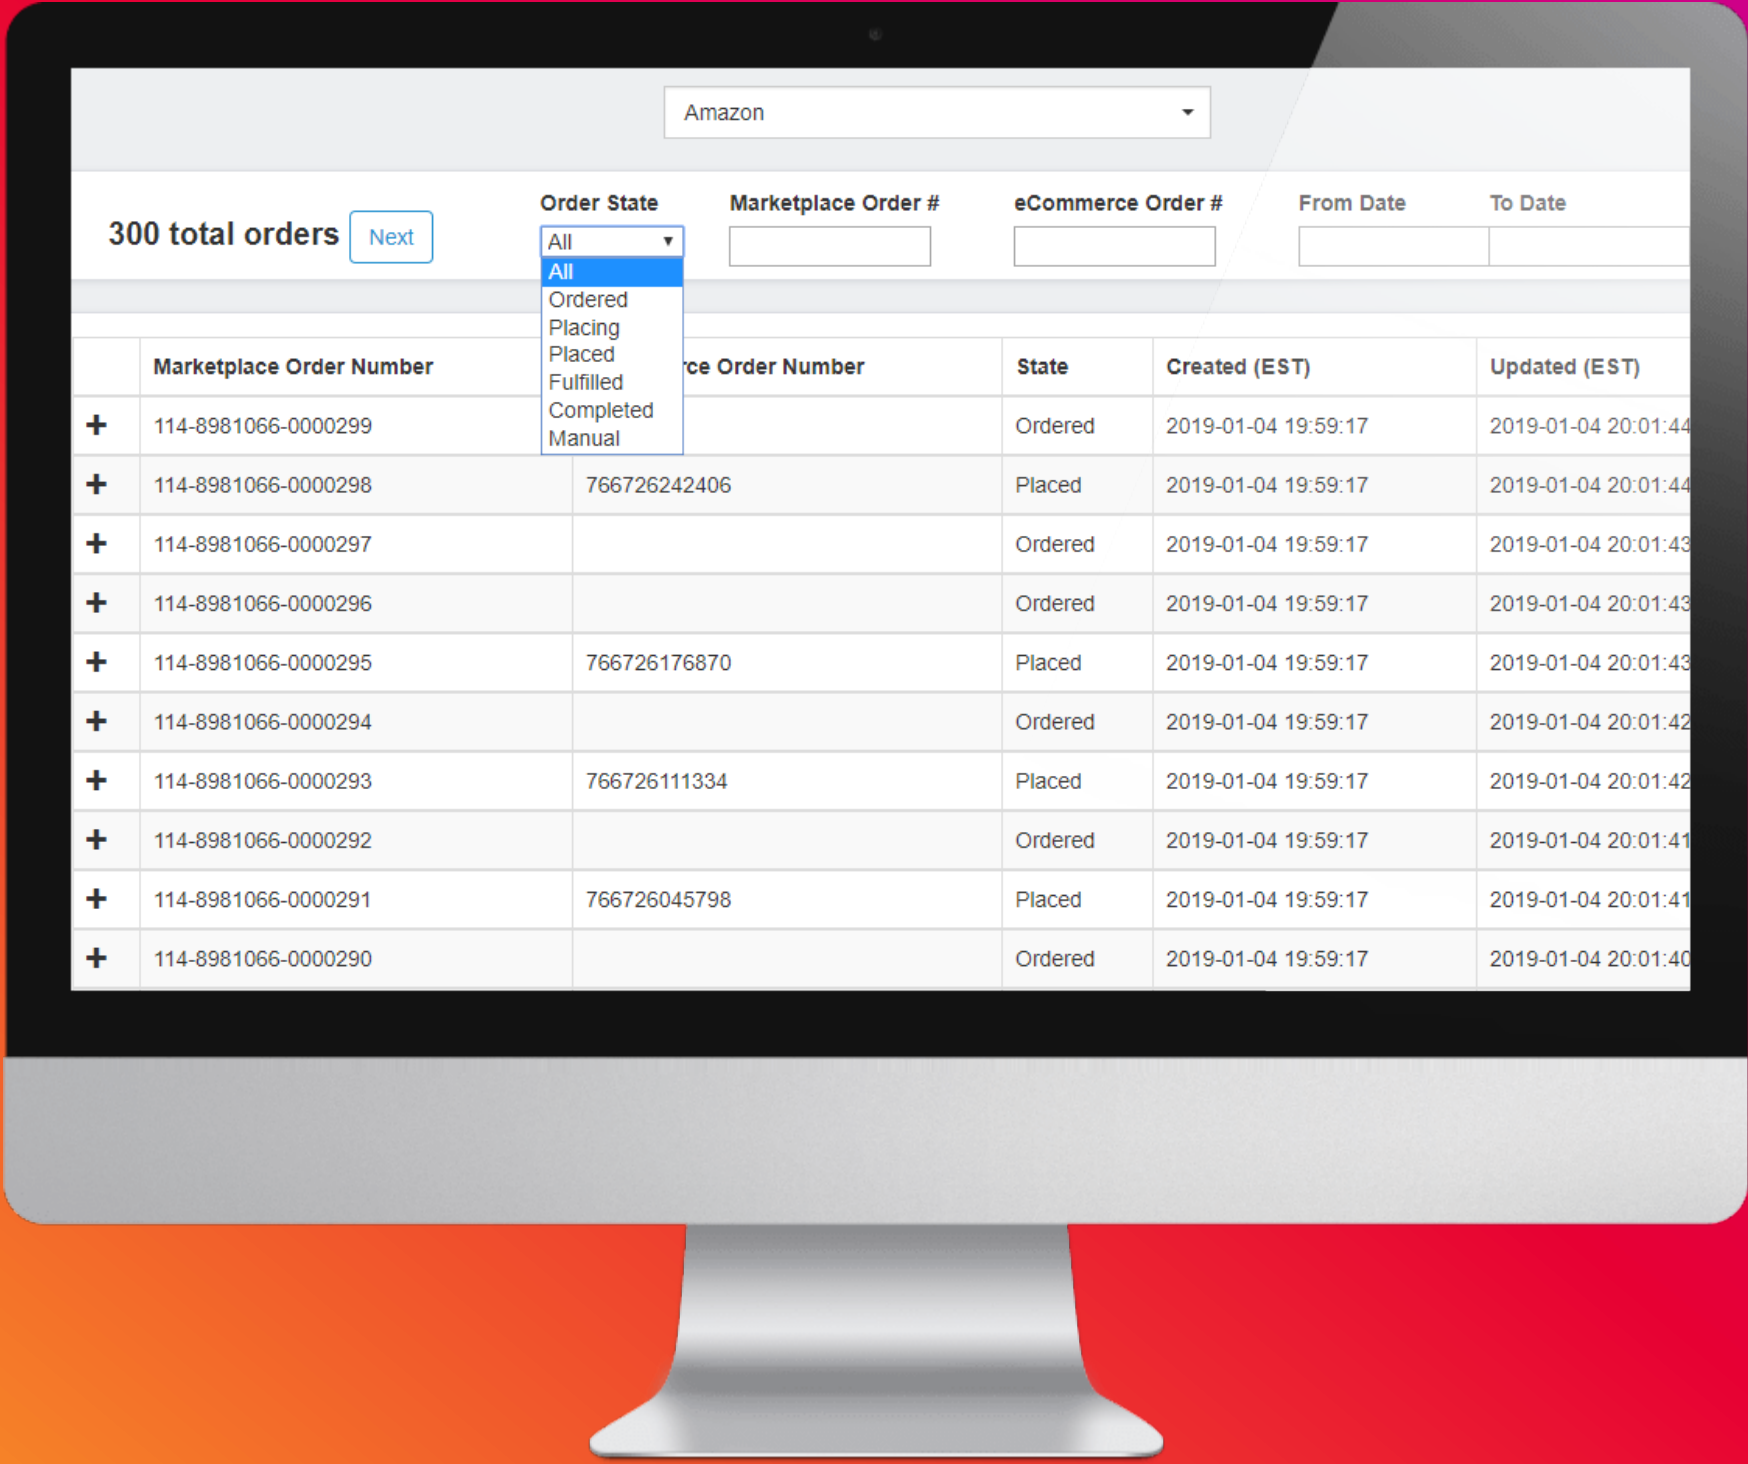

IS YOUR PRODUCT DATA OPTIMIZED?

- Do you have problems with rogue HTML titles that do not contain brand, color, or size?
- Duplicate titles, IDs?
- Whitespace issues?

SEE ALL OF YOUR ORDERS IN ONE PLACE

- The FeedAMP order dashboard shows all of your marketplace orders
- Easily filter by order status and date
- See the entire order journey

INSTAGRAM SHOPPING CASE STUDY - NATORI

Instagram has played a major role in helping us build a brand, and we love how the new shopping features allow us to easily showcase our products in a way that feels authentic to the community we have built.

In just a few short weeks of using the new shopping features on Instagram, we have seen a 100% increase in revenue from the channel and a massive 1,416% increase in Instagram referral traffic to our website.

- Ken Natori, President of The Natori Company

AGENCY CASE STUDY – HERO DIGITAL
