**[Resolution 9]**

By Order of the Board

Singapore, 12 April 2011

### Explanatory Notes to Resolutions to be passed -

(i) The Ordinary Resolution 4(a) proposed in item 3 above, is to approve the payment of Directors' fees for the financial year ending 31 December 2011 ("FY2011") in accordance with the proposed fee structure. The fee structure is based on guidelines recommended by the Singapore Institute of Directors and disclosed in the Corporate Governance Report in this Annual Report. The proposed Directors' fees for FY2011 are commensurate with the onerous responsibilities placed on the Directors and in particular, to better reflect the time and contribution of each Director towards the improved performance of the Company. The Ordinary Resolution 4(a) if passed, will authorise the payment of Directors' fees for FY2011 in accordance with the fee structure amounting to approximately US\$436,500 on the assumption that there is no change in the size or composition of the Board.

The Ordinary Resolution 4(b) if passed, will also authorise the Directors to fix, increase or vary the emoluments of Directors in respect of services to be rendered in any capacity to the Company. This would provide flexibility for the Company to engage or procure the specialist services of Directors as appropriate and as may be required by the Company.

(ii) The Ordinary Resolution 6 proposed in item 6 above, if passed, will empower the Directors from the date of the above Meeting until the date of the next Annual General Meeting, to allot and issue Shares and convertible securities in the Company up to an amount not exceeding fifty percent (50%) of the total number of issued Shares (excluding treasury shares) in the capital of the Company, of which up to twenty percent (20%) may be issued other than on a pro-rata basis.

For the purpose of this Resolution, the total number of issued Shares (excluding treasury shares) is based on the Company's total number of issued Shares (excluding treasury shares) at the time this proposed Ordinary Resolution is passed after adjusting for new Shares arising from the conversion or exercise of convertible securities, the exercise of Share Options or the vesting of Share Awards outstanding or subsisting at the time when this proposed Ordinary Resolution is passed and any subsequent bonus issue, consolidation or subdivision of Shares.

(iii) The Ordinary Resolution 7 proposed in item 7 above, if passed, will empower the Directors of the Company, to allot and issue Shares in the Company of up to a number not exceeding in total ten percent (10%) of the total number of issued Shares (excluding treasury shares) in the capital of the Company from time to time pursuant to (i) the exercise of options under the ESOP; and (ii) the vesting of Share Awards under the Share Plans.

(iv) The Ordinary Resolution 8 proposed in item 8 above, if passed, will enable Mr Joselito D Campos, Jr, an associate of a controlling shareholder, to participate in the Share Plans of the Company and will authorise and empower the Directors to grant Mr Campos a Share Award of 2,643,000 Shares in the capital of the Company, pursuant to the Del Monte Pacific RSP.

Mr Campos is an associate of NutriAsia Pacific Limited, a controlling shareholder of the Company with a 78.7% interest, by virtue of his deemed interest in NutriAsia Pacific Limited. Participation by Mr Campos in the Share Plans would provide the Company with an added tool to design a balanced and innovative overall remuneration package and with more flexibility in determining the best method of remuneration which would link Mr Campos's total remuneration to the results of the Company, which would in turn increase shareholder value.

As an associate of a controlling shareholder, Mr Campos would be subject to the same rules as those applicable to other participants of the Share Plans as enumerated in the Circulars to shareholders dated 4 April 2005. In this manner, the Share Plans would not unduly favour Mr Campos over other participants.

The Directors (except for those who are controlling shareholders or their associates) are of the view that the participation in the Share Plans by Mr Campos is in the best interest of the Company as Mr Campos, being the CEO and Managing Director, defines the objectives and roles of Management and influences decisions made by the Company and is thus in a unique position to contribute to the growth and prosperity of the Group.

In accordance with the terms of the Share Plans, Mr Campos and his associates will abstain from voting their respective shareholdings (if any) in the Company on Resolution 8.

(v) The Ordinary Resolution 9 proposed in item 9 above, if passed, will authorise the Interested Person Transactions as described in the Information Memorandum accompanying the 2010 Annual Report and recurring in the year; and will empower the Directors to do all acts necessary to give effect to the Shareholders' Mandate. This authority will, unless previously revoked or varied by the Company at a general meeting, expire at the conclusion of the next Annual General Meeting of the Company.
