- (ii) in the case of an Off-Market Purchase of a Share, 130 per cent. (130%) of the Average Closing Price (as defined hereafter).

where:

“**Average Closing Price**” is the average of the closing market prices of a Share over the last five (5) market days on which the Shares were transacted on the SGX-ST or, as the case may be, any other stock exchange on which the Shares may for the time being be listed or quoted, preceding the day of the Market Purchase or, as the case may be, the day of the making of the offer pursuant to an Off-Market Purchase, as deemed to be adjusted for any corporate action that occurs after the relevant five (5) market day period;

To: The Shareholders of Del Monte Pacific Limited

Dear Sir/Madam,

Circular to Shareholders in relation to the Proposed Adoption of the Share Purchase Mandate

1. INTRODUCTION

1.1 *General Meeting*

The Board is proposing to convene a GM to seek the Shareholders' approval in respect of the adoption of the Share Purchase Mandate.

1.2 *Purpose of this Circular*

The purpose of this Circular is to explain the reasons for, and to provide Shareholders with, information relating to the aforesaid proposal and to seek Shareholders' approval in relation thereto at the GM to be held at Anson Room 3, Level 2 of M Hotel, 81 Anson Road, Singapore 079908 on 28 August 2015 at 10.10 a.m.. The Notice of the GM is set out on pages N1 to N4 of this Circular.

This Circular has been prepared solely for the purposes outlined above and may not be relied upon by any persons (other than the Shareholders to whom this Circular is despatched to by the Company) or for any other purpose.

2. THE PROPOSED ADOPTION OF SHARE PURCHASE MANDATE

2.1 *Background*

At a general meeting of the Company held on 27 April 2009, Shareholders had approved the adoption of a share purchase mandate to permit the Company to purchase or otherwise acquire its issued Shares. The said share purchase mandate was renewed for subsequent years but had expired on 15 April 2014.

As the Company is incorporated in the BVI, it is not subject to the Companies Act, Cap. 50. Therefore, any purchase or acquisition of Shares by the Company will have to be made in accordance with, and in the manner prescribed by the Act, the Memorandum and Articles, the Listing Manual, and such other laws and regulations as may for the time being be applicable.

LETTER TO SHAREHOLDERS

The Articles provide that any purchase of Shares by the Company shall be exercisable by the Board upon such terms and subject to such conditions as it thinks fit, and subject also to the Act, the Memorandum, and for so long as the Shares are listed on the SGX-ST (or any other stock exchange on which the Shares are quoted or listed), the prior approval of the Shareholders in general meeting. Accordingly, approval is being sought from Shareholders at the GM for the proposed Share Purchase Mandate and a motion will be proposed as an ordinary resolution at the GM whereby the Directors will be given the authority to exercise all powers of the Company to purchase issued Shares on the terms of the Share Purchase Mandate.

If the motion in relation to the proposed Share Purchase Mandate is approved by Shareholders at the GM, the authority conferred by the Share Purchase Mandate will continue in force until the date on which the next AGM is held or required by law or the Articles to be held (whereupon it will lapse, unless renewed at such meeting) or until it is varied or revoked by the Company in general meeting (if so varied or revoked prior to the next AGM), provided that the Share Purchase Mandate shall be valid for a period not exceeding 12 months from the date of the GM at which the Share Purchase Mandate is approved (the “**Approval Date**”).

2.2 *Rationale*

The rationale for the Company to undertake a purchase or acquisition of its Shares is as follows:

- (a) in managing the business of the Group, management will strive to increase Shareholders’ value by improving, inter alia, the return on equity of the Company. A share purchase may be considered as an avenue through which the return on equity of the Company may be enhanced.
- (b) The Share Purchase Mandate is an available option for the Company to return surplus cash over, if any, and above its ordinary capital requirements and possible investment needs of the Group to its Shareholders in an expedient and cost effective manner. In addition, the Share Purchase Mandate will allow the Company to have greater flexibility over, inter alia, the Company’s share capital structure and its dividend policy.
- (c) Share purchase programmes help buffer short-term share price volatility and offset the effects of short-term speculators and investors and, in turn, bolster Shareholder confidence and employee morale.
- (d) Shares purchased by the Company and held in treasury may be transferred for the purposes of or, pursuant to employees share option or, award schemes.

Shareholders can be assured that purchases of its Shares by the Company would only be made in circumstances where it is considered to be in the best interests of the Company, after considering relevant factors such as working capital requirements, availability of financial resources, expansion and investment plans of the Group as a whole, the prevailing market conditions and the most cost-effective and efficient approach. Further, the Directors do not propose to carry out purchases to such an extent that would, or in circumstances that might, result in a material adverse effect on the financial position of the Company or Group.

The approval of the Share Purchase Mandate authorising the Company to purchase or acquire its Shares would give the Company the flexibility to undertake share purchases or acquisitions at any time, subject to market conditions, during the period when the Share Purchase Mandate is in force.

While the Share Purchase Mandate would authorise a purchase or acquisition of Shares up to the said five per cent. (5%) limit, Shareholders should note that purchases or acquisitions of Shares pursuant to the Share Purchase Mandate may not be carried out to the full extent of five per cent. (5%) as authorised and no purchases or acquisitions of Shares will be made in circumstances which would have or may have a material adverse effect on the financial position of the Company.

LETTER TO SHAREHOLDERS

2.3 The Act and the Articles

Under the Act and the Articles, the purchase by the Company of its Shares may be made at a price lower than the fair value and may only be funded out of its surplus or in exchange for newly issued Shares of equal value. In particular, the purchase of its Shares may be funded out of surplus available for dividend or distribution, including its share premium account, before the Shares are purchased.

Surplus is defined by the Act as “the excess, if any, at the time of the determination, of the total assets of the company over the sum of its total liabilities, as shown in the books of account, plus its capital”. Capital is defined as “the sum of the aggregate par value of all outstanding shares with par value of the company and shares with par value held by the company as treasury shares plus (a) the aggregate of the amounts designated as capital of all outstanding shares without par value of the company and shares without par value held by the company as treasury shares, and (b) the amount as are from time to time transferred from surplus to capital by a resolution of directors”.

Under the Act and the Articles, no purchase by the Company of its own Shares can be effected unless the Directors have, before the purchase of Shares, determined the following:

- (a) that immediately after the purchase, redemption or acquisition, the Company will be able to satisfy its liabilities as they become due in the ordinary course of its business; and
- (b) the realisable value of the assets of the Company will not be less than the sum of its total liabilities, other than deferred taxes as shown in the books of accounts, and its capital; and in the absence of fraud, the decision of the Directors as to realisable value of the assets of the Company is conclusive.

To ensure that the Company complies with the statutory requirements, all purchases of Shares in accordance with the Share Purchase Mandate shall be subject to the prior review and endorsement of both the Chief Financial Officer and Chief Executive Officer of the Company based on guidelines determined by the Directors.

As at the Latest Practicable Date, the Directors confirm that the Company has sufficient Surplus available to purchase the maximum number of Shares permitted under the Share Purchase Mandate in accordance with the requirements of the Act.

The Company will, from time to time, evaluate the fair value of its Shares on the basis of its NTA backing, projected performance of the Company and industry market comparable to determine the appropriate time to purchase Shares in order to enhance Shareholders' value.

2.4 The Terms of the Share Purchase Mandate

The authority and limitations placed on purchases of Shares by the Company under the Share Purchase Mandate are summarised below.

2.4.1 Maximum Number of Shares

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company.

The total number of Shares that may be purchased is limited to that number of Shares representing not more than five per cent. (5%) of the total number of issued Shares (excluding any Treasury Shares held by the Company) as at the Approval Date.

LETTER TO SHAREHOLDERS

For illustrative purposes only, based on the existing issued share capital of the Company as at the Latest Practicable Date of 1,944,935,826 Shares, and excluding 900,420 Treasury Shares as at the Latest Practicable Date, and assuming that no further Shares are issued on or prior to the GM, not more than 97,201,770 Shares (representing five per cent. (5%) of the issued Shares as at that date) may be purchased or acquired by the Company pursuant to the Share Purchase Mandate.

2.4.2 Duration of Authority

Purchases or acquisitions of Shares may be made, at any time and from time to time, on and from the Approval Date, up to the earlier of:

- (a) the date on which the next AGM is held or required by law or the Articles to be held;
- (b) the date on which the share purchases pursuant to the Share Purchase Mandate are carried out to the full extent mandated; or
- (c) the date on which the authority conferred by the Share Purchase Mandate is varied or revoked by the Shareholders in a general meeting.

2.4.3 Manner of Purchase of Shares

The Company intends to comply with the Listing Manual in relation to its Share purchases or acquisitions pursuant to the Share Purchase Mandate notwithstanding the absence of any such requirements under the Act and/or in its Memorandum and Articles.

In accordance with the Listing Manual, purchases of Shares may be made by way of, inter alia:

- (a) market purchases (each a “Market Purchase”), transacted on the SGX-ST (or any other stock exchange on which the Shares may for the time being be listed or quoted), through one or more duly licensed stockbrokers/dealers appointed by the Company for the purpose; and/or
- (b) off-market purchases (each an “Off-Market Purchase”) (if effected otherwise than on the SGX-ST or, as the case may be, any other stock exchange on which the Shares may for the time being be listed or quoted) in accordance with any equal access schemes as may be determined or formulated by the Directors as they consider fit, which schemes shall satisfy all the conditions prescribed by the Act,

and otherwise in accordance with all other laws, regulations and rules of the SGX-ST or, as the case may be, any other stock exchange on which the Shares may for the time being be listed or quoted, as may for the time being be applicable, be and is hereby authorised and approved generally and unconditionally (the “Share Purchase Mandate”);

An Off-Market Purchase must, however, satisfy all of the following conditions:

- (a) offers for the purchase or acquisition of Shares shall be made to every person who holds issued shares to purchase or acquire the same percentage of their Shares;
- (b) all of those persons shall be given a reasonable opportunity to accept the offers made; and

LETTER TO SHAREHOLDERS

- (c) the terms of all the offers are the same, except that there shall be disregarded:
 - (i) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements;
 - (ii) differences (if applicable) in consideration attributable to the fact that offers relate to Shares with different amounts remaining unpaid; and
 - (iii) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares in board lots of 100 Shares after the Share Purchases, in the event that there are offeree Shareholders holding odd numbers of Shares.

In addition, the Listing Rules provides that, in making an Off-Market Purchase, the Company must issue an offer document to all Shareholders which must contain at least the following information:

- (a) the terms and conditions of the offer;
- (b) the period and procedures for acceptances;
- (c) the reasons for the proposed Share purchase;
- (d) the consequences, if any, of Share purchases by the Company that will arise under the Take-over Code or other applicable take-over rules;
- (e) whether the Share purchase, if made, would have any effect on the listing of the Shares on SGX-ST (or any other stock exchange on which the Shares may for the time being be listed or quoted);
- (f) details of any share purchases made by the Company in the previous 12 months (whether Market Purchases or Off-Market Purchases in accordance with an equal access scheme), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for the purchases, where relevant, and the total consideration paid for the purchases; and
- (g) whether the Shares purchased by the issuer will be cancelled or kept as Treasury Shares.

2.4.4 Maximum Purchase Price

In the case of a Market Purchase, the purchase price (excluding brokerage, stamp duties, applicable goods and services tax and other related expenses) (the “**Maximum Purchase Price**”) to be paid for the Shares will be determined by the Directors.

However, the Maximum Purchase Price to be paid for a Share as determined by the Directors must not exceed:

- (a) in the case of a Market Purchase, 105 per cent. (105%) of the Average Closing Price (as defined hereinafter); and
- (b) in the case of an Off-Market Purchase, 130 per cent. (130%) multiplied by the average closing prices of the Shares over the last five consecutive Market Days on which transactions in the Shares were recorded immediately preceding the date on which the Company announces its intentions to make an offer for the purchase or acquisition of Shares stating therein the purchase price for each Share and the relevant terms of the equal access scheme effecting the Off-Market Purchase.

LETTER TO SHAREHOLDERS

in either case, excluding related expenses of the purchase.

For the above purposes:

“**Average Closing Price**” is the average of the closing market prices of a Share over the last five (5) market days on which the Shares were transacted on the SGX-ST or, as the case may be, any other stock exchange on which the Shares may for the time being be listed or quoted, preceding the day of the Market Purchase or, as the case may be, the day of the making of the offer pursuant to an Off-Market Purchase, as deemed to be adjusted for any corporate action that occurs after the relevant five (5) market day period;

“**day of the making of the offer**” means the day on which the Company makes an offer for the purchase or acquisition of Shares from Shareholders, stating the purchase price (which shall not be more than the Maximum Price calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase; and

“**market day**” means a day on which the SGX-ST is open for trading in securities.

2.5 Status of Purchased Shares Under the Share Purchase Mandate

Under the Act and the Articles, the Shares that are purchased or acquired by the Company may be cancelled or held as Treasury Shares (except to the extent that such shares are in excess of 80 per cent. (80%) of the issued Shares, in which case they shall be cancelled but they shall be available for reissue). The Company currently has 900,420 issued Shares held in treasury.

Shares purchased by the Company which are cancelled will be automatically de-listed by the SGX-ST (or any other stock exchange on which the Shares may for the time being be listed or quoted). Certificates in respect of cancelled purchased Shares will be cancelled and destroyed by the Company as soon as reasonably practicable following settlement of any such purchase. The Shares purchased may be cancelled to further enhance the Company’s return on equity and increase the value of its equity for its Shareholders.

Shares purchased by the Company which are held in treasury shall only be treated as outstanding for the purposes of determining the capital of the Company. The Shares held in treasury shall not be entitled to vote or to have dividends paid thereon and are therefore considered disabled.

2.6 Treasury Shares

Under the Act, a company may, if authorised by its articles of association, purchase its own shares. The shares so purchased may either be cancelled (in which event, the Company’s issued, but not its authorised, capital will be diminished accordingly) or may be held as Treasury Shares. Under the laws of the BVI, if a company holds shares as Treasury Shares, the company shall be entered in the register of members as a member holding the shares but the company is not permitted to exercise any rights in respect of those shares (including any right to attend and vote at meetings) and no dividend or other distribution (whether in cash or otherwise) shall be paid or made to the Company in respect of such shares.

No acquisition by a company of its own shares to be held as Treasury Shares may be effected unless the Directors determine that immediately after the purchase that the Company will be able to satisfy its liabilities as they become due in the ordinary course of its business and the realisable value of the assets of the Company will not be less than the sum of its total liabilities, other than deferred taxes as shown in the books of accounts, and its capital; and, in the absence of fraud, the decision of the Directors as to the realisable value of the assets of the Company is conclusive.

LETTER TO SHAREHOLDERS

A company that acquires its own shares to be held as Treasury Shares may:

- (a) hold all or any of the shares;
- (b) dispose of or transfer all or any of the shares for cash or other considerations;
- (c) cancel all or any of the shares.

The Company may transfer any Treasury Shares for the purpose of or pursuant to an employee share option or award scheme. The number of Shares held as Treasury Shares cannot at any time exceed 80 per cent. (80%) of the total issued Shares.

2.7 Source of Funds for Share Purchase

In purchasing Shares pursuant to the proposed Share Purchase Mandate, the Company may only apply funds available for such purchases in accordance with the Act and its Articles. In particular, the purchase of Shares may only be funded out of the Company's Surplus.

The Company will principally use its internal sources of funds or external borrowings or a combination of both to finance the purchases or acquisitions of Shares, including its revenue reserves, pursuant to the Share Purchase Mandate.

Where the consideration paid by the Company for a purchase or acquisition of Shares is made out of distributable profits, such consideration (excluding related brokerage, goods and services tax, stamp duties and clearance fees) will correspondingly reduce the amount available for the distribution of cash dividends by the Company. Where the consideration paid by the Company for a purchase or acquisition of Shares is made out of capital, the amount available for a distribution of cash dividends by the Company will not be reduced.

The Directors will consider the appropriate gearing level to ensure solvency. The Directors do not propose to exercise the Share Purchase Mandate in a manner and to such extent that the working capital requirements or investment ability of the Company would be materially and adversely affected. The purchase of the Shares will only be effected after considering relevant factors such as working capital requirements, availability of financial resources, expansion and investment plans of the Group as a whole and prevailing market conditions.

2.8 Financial Effects of the Share Purchase Mandate

The financial effects on the Company and the Group arising from purchases or acquisitions of Shares which may be made pursuant to the Share Purchase Mandate will depend on, inter alia, the aggregate number of Shares are purchased or acquired, the consideration paid at the relevant time and whether the Shares purchased or acquired are held in treasury or are cancelled.

The purchase of Shares, if cancelled, will result in a reduction in the capital of the Company by an amount equivalent to the par value of the Shares and in the Company's surplus, which consists of the share premium, translation reserves and revenue reserves ("**Distributable Reserves**") by the balance of the purchase price. If the capital of the Company is reduced by a cancellation of Shares, the Directors must have, before the cancellation, made determinations to ensure that:

- (a) the capital of the Company will not be reduced to an amount that is less than the sum of the aggregate par value of all outstanding shares with par value and all shares with par value held by the Company as Treasury Shares and the aggregate of the amounts designated as capital of all outstanding shares without par value and all shares without par value held by the Company as Treasury Shares that are entitled to a preference, if any, in the assets of the Company upon liquidation of the Company; and

LETTER TO SHAREHOLDERS

- (b) a reduction of capital will not be effected unless the Directors determine that immediately after reduction, the Company will be able to satisfy its liabilities as they become due in the ordinary course of business, and that the realisable value of the assets of the Company will not be less than its total liabilities other than deferred taxes, as shown in the books of account, and its remaining capital; and, in the absence of fraud, the decision of the Directors as to the realisable value of the assets of the Company is conclusive.

It is not possible for the Company to realistically calculate or quantify the impact of purchase that may be made pursuant to the proposed Share Purchase Mandate on the net asset value and EPS as it would largely depend, inter alia, on the aggregate number of Shares purchased or acquired, the consideration paid at the relevant time and whether the Shares purchased or acquired are held in treasury or cancelled. However, on the basis of the audited consolidated financial position of the Company as at 30 April 2015 (being the date to which the latest published audited financial statements of the Company have been made up) and, in particular, having regard to the amount of Distributable Reserves that are available for payment as dividends, the working capital and gearing position of the Company at that time and the number of Shares as at the Latest Practicable Date, the Directors consider that the purchase of up to the maximum number of Shares permitted by the Share Purchase Mandate during the period which the Share Purchase Mandate is expressed to be in force is not expected to have an adverse effect on the consolidated financial position of the Company.

For illustrative purposes only, based on the existing issued share capital of the Company as at the Latest Practicable Date of 1,944,935,826 Shares, and excluding 900,420 Treasury Shares as at the Latest Practicable Date, and assuming that no further Shares are issued on or prior to the GM, the purchase by the Company of up to the maximum limit of five per cent. (5%) of its issued Shares will result in the purchase or acquisition of 97,201,770 Shares. It is assumed the Average Closing Price is S\$0.372 and using exchange rate of US\$1:S\$1.360.

In the case of a Market Purchase by the Company and assuming that the Company purchases or acquires 97,201,770 Shares at the Maximum Purchase Price of S\$0.391 or US\$0.288 for one Share (being the price equivalent to 105 per cent. (105%) above the average of the closing market prices of the Shares over the last five (5) Market Days preceding the day of the Market Purchase on which transactions in the Shares were recorded), the maximum amount of funds required for the purchase or acquisition of 97,201,770 Shares is S\$38,071,989 or US\$27,994,110. This calculation is based on the assumption that the purchase consideration will be funded 100 per cent. (100%) through bank loans at an interest rate of five per cent. (5%) per annum.

In the case of an Off-Market Purchase by the Company and assuming that the Company purchases or acquires 97,201,770 Shares at the Maximum Purchase Price of S\$0.484 or US\$0.356 for one Share (being the price equivalent to 130 per cent. (130%) above the average of the closing market prices of a Share for the five Market Days on which transactions in the Shares were recorded, preceding the date of the announcement of the offer for the Off-Market Scheme, the maximum amount of funds required for the purchase or acquisition of 97,201,770 Shares is S\$47,061,209 or US\$34,603,830. This calculation is based on the assumption that the purchase consideration will be funded 100 per cent. (100%) through bank loans at an interest rate of five per cent. (5%) per annum.

Assuming the above, the financial effects of the:

- (i) acquisition of Shares by the Company pursuant to the Share Purchase Mandate by way of purchases made entirely out of capital and held as Treasury Shares;
- (ii) acquisition of Shares by the Company pursuant to the Share Purchase Mandate by way of purchases made entirely out of capital and cancelled;
- (iii) acquisition of Shares by the Company pursuant to the Share Purchase Mandate by way of purchases made entirely out of profits and held as Treasury Shares; and

LETTER TO SHAREHOLDERS

- (iv) acquisition of Shares by the Company pursuant to the Share Purchase Mandate by way of purchases made entirely out of profits and cancelled.

on the audited financial statements of the Group and the Company for the financial year ended 30 April 2015 are as follows:

LETTER TO SHAREHOLDERS

The disclosed financial effects remain the same irrespective of whether:

- (a) the purchase of Shares are affected out of capital or profits, or
- (b) the purchase of Shares are held in treasury or cancelled.

Shareholders should note that the financial effects set out above are for illustrative purposes only. In particular, it is important to note that the above analysis is based on the latest audited financial statements of the Company as at 30 April 2015 and is not necessarily representative of the future financial performance of the Company. Although the Share Purchase Mandate would authorise the Company to purchase or acquire up to five per cent. (5%) of the issued Shares, the Company may not necessarily purchase or acquire the entire five per cent. (5%) of the issued Shares. In addition, the Company may cancel all or part of the Shares purchased or hold all or part of the Shares purchased as Treasury Shares.

Shareholders should also note however, that the actual financial impact of purchases of Shares will depend, inter alia, on the aggregate number of Shares purchased or acquired, the consideration paid at the relevant time and whether the Shares purchased or acquired are held in treasury or are cancelled. The Directors do not propose to exercise the Share Purchase Mandate to such an extent that it would have a material adverse effect on the working capital requirements of the Company.

It is not the purpose of the Share Purchase Mandate to assist any Shareholder or its concert parties to obtain or consolidate effective control of the Company. The Directors will decide when, how many and on what terms to purchase any Shares pursuant to the Share Purchase Mandate in the interests of the Company and its Shareholders as a whole, taking into consideration relevant factors such as the financial effects of such purchases on the Company, working capital requirements, availability of financial resources, the expansion and investment plans of the Company and prevailing market conditions. If it becomes necessary for funds to be borrowed, the Directors will consider the appropriate gearing level to ensure the solvency of the Company. The proposed Share Purchase Mandate will only be exercised with a view to enhance the EPS of the Group.

2.9 Listing Rules

2.9.1 The Listing Rules provide that a listed company shall report all purchases or acquisitions of its Shares to SGX-ST not later than 9.00 a.m.:

- (a) in the case of a Market Purchase, on the Market Day following the day of purchase or acquisition of any of its Shares; and
- (b) in the case of an Off-Market Purchase under an equal access scheme, on the second Market Day after the close of acceptances of the offer.

Such announcement must include details of the total number of Shares purchased and the purchase price per Share or the highest and lowest prices paid for such Shares and any other information required under the Listing Rules, as applicable.

2.9.2 While the Listing Rules do not expressly prohibit any purchase of shares by a listed company of its own shares during any particular time or times, because the listed company would be regarded as an “insider” in relation to any proposed purchase of its issued shares, the Company will not undertake any Purchase of Shares pursuant to the proposed Share Purchase Mandate at any time after any matter or development of a price sensitive nature has occurred or has been the subject of a decision until such price sensitive information has been publicly announced. In particular, in line with the best practices guide on securities dealings issued by SGX-ST, the Company will not purchase or acquire any shares pursuant to the proposed Mandate during the period commencing two weeks immediately preceding the announcement of the Company’s financial statements for each of the first three quarters of its financial year and one month immediately preceding the announcement of the Company’s financial statements of its full-year results and ending on the date of the announcement of the relevant results.

LETTER TO SHAREHOLDERS

2.9.3 The Listing Rules also require a listed company to ensure that at least ten per cent. (10%) of its Shares is at all times held by the public. The “public”, as defined under the Listing Manual, are persons other than the Directors, Chief Executive Officer, Substantial Shareholders or Controlling Shareholders of the Company and its subsidiaries, as well as associates of such persons.

As at the Latest Practicable Date, 513,852,997 Shares representing 26.43 per cent. (26.43%) of the issued share capital of the Company are held in the hands of the public by an aggregate of 8,116 Shareholders. In the event that the Company purchases the maximum of five per cent. (5%) of its issued ordinary share capital from such public Shareholders, the resultant percentage of the issued Shares held by the public Shareholders would be reduced to approximately 17.30 per cent. (17.30%). Accordingly, the Company is of the view that there is, at present, a sufficient number of Shares in public hands that would permit the Company to potentially undertake purchases and acquisitions of the Shares up to the full five per cent. (5%) limit pursuant to the proposed Share Purchase Mandate without affecting adversely the listing status of the Shares on the SGX-ST.

The Directors will endeavour to ensure that any purchase of Shares pursuant to the Share Purchase Mandate will not:

- (a) adversely affect the listing status of the Shares on the SGX-ST;
- (b) cause market illiquidity; or
- (c) adversely affect the orderly trading of the Shares on the SGX-ST.

2.10 Tax Implications

Shareholders who are in doubt as to their respective tax positions or any tax implications, or who may be subject to tax in a jurisdiction outside Singapore, should consult their own professional advisers.

2.11 Take-Over Obligations

An increase in a Shareholder’s proportionate interest in the voting rights of the Company resulting from a Share purchase by the Company will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. Under Rule 14 of the Take-over Code, a Shareholder and persons acting in concert with the Shareholder will incur an obligation to make a mandatory takeover offer if, inter alia, he and persons acting in concert with him increase their voting rights in the Company to 30 per cent. (30%) or more or, if they, together hold between 30 per cent. (30%) but not more than 50 per cent. (50%) of the Company’s voting rights, increase their voting rights in the Company by more than one per cent. (1%) in any period of six (6) months.

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal) co-operate, through the acquisition by any of them of shares in a company to obtain or consolidate control of that company. Unless the contrary is established, the following persons will, inter alia, be presumed to be acting in concert:

- (a) a company with its parent company, subsidiaries, its fellow subsidiaries, any associated companies of the above companies and any company whose associated companies include any of the above companies, any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights;
- (b) a company with any of its directors, together with their close relatives, related trusts and any companies controlled by its directors, their close relatives and related trusts;
- (c) a company with any of its pension funds and employee share schemes;

LETTER TO SHAREHOLDERS

- (d) a person with any investment company, unit trust or other fund whose investment such person manages on a discretionary basis, but only in respect of the investment account which such person manages;
- (e) a financial or other professional adviser, with its clients in respect of the shareholdings of (i) the adviser and the persons controlling, controlled by or under the same control as the adviser; and (ii) all the funds which the adviser manages on a discretionary basis, where the shareholdings of the adviser and any of those funds in the client total ten per cent. (10%) or more of the client's equity share capital;
- (f) directors of a company, together with their close relatives, related trusts and companies controlled by any of them, which is subject to an offer or where they have reason to believe a bona fide offer for their company may be imminent;
- (g) partners; and
- (h) an individual, his close relatives, his related trusts, and any person who is accustomed to act in accordance with the instructions of the individual and companies controlled by any of the above; and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights.

For this purpose, ownership or control of at least 20 per cent. (20%) but not more than 50 per cent. (50%) of the voting rights of a company will be regarded as the test for associated company status.

The circumstances under which Shareholders (including Directors) and persons acting in concert with them will incur an obligation to make a takeover offer under Rule 14 of the Take-over Code after a purchase or acquisition of Shares by the Company as set out in Appendix 2 of the Take-over Code.

In general terms, the effect of Rule 14 and Appendix 2 is that:

- (a) unless exempted, directors of a company and persons acting in concert with them will incur an obligation to make a takeover offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such directors and their concert parties would increase to 30 per cent. (30%) or more, or if the voting rights of such directors and their concert parties fall between 30 per cent. (30%) and 50 per cent. (50%) of the Company's voting rights, the voting rights of such directors and their concert parties would increase by more than one per cent. (1%) in any period of six (6) months; and
- (b) a Shareholder who is not acting in concert with directors will not be required to make a takeover offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder in the Company would increase to 30 per cent. (30%) or more, or if the voting rights of such directors and their concert parties fall between 30 per cent. (30%) and 50 per cent. (50%) of the Company's voting rights, the voting rights of such Shareholder would increase by more than one per cent. (1%) in any period of six (6) months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Mandate.

2.12.2 Application of the Take-over Code to the proposed Share Purchase Mandate

(5%) of the issued share capital of the Company as permitted, the shareholding and voting rights of the Controlling Shareholders will increase to 82.70 per cent. (82.70%). As the Controlling Shareholders, being presumed to be concert parties under the Take-over Code, in aggregate hold more than 50 per cent. (50%) of the issued share capital of the Company, any increase in their shareholding pursuant to Share Purchases undertaken by the Company would not result in them incurring a take-over obligation pursuant to Rule 14 of the Take-over Code.

THE PROPOSED CHANGE OF AUDITORS FROM KPMG LLP TO ERNST & YOUNG LLP AND THE APPOINTMENT OF SYCIP GORRES VELAYO & CO. (ERNST & YOUNG PHILIPPINES) AS PHILIPPINE AUDITORS IN THE PHILIPPINES

Registered Office:

Craigmuir Chambers
PO Box 71
Road Town, Tortola
British Virgin Islands

1. INTRODUCTION

We refer to:

- (a) the Notice of General Meeting (the “**Notice**”) of Del Monte Pacific Limited (the “**Company**”) dated 13 August 2015, convening the General Meeting of the Company to be held on 28 August 2015 (the “**GM**”);
- (b) the Ordinary Resolution 5 proposed in item 5 of the Notice; and
- (c) the Ordinary Resolution 6 proposed in item 6 of the Notice.

The Directors are proposing to seek the Shareholders' approval for the proposed change of auditors of the Company and its subsidiaries (the "**Group**") from KPMG LLP ("**KPMG**") to Ernst & Young LLP ("**EY Singapore**") (the "**Proposed Change of Auditors**") and the appointment of Sycip Gorres Velayo & Co. (Ernst & Young Philippines) as the Group's Philippine Auditors at the GM. The purpose of this Appendix is to provide Shareholders with the relevant information pertaining to the aforesaid and to seek Shareholders' approval for the resolutions relating to the same at the GM.

2. THE PROPOSED CHANGE OF AUDITORS

2.1 Background

The incumbent Auditors, KPMG, have been Auditors of the Group since 28 April 2006, ie for the past nine years.

Since the Company's acquisition of Del Monte Foods, Inc in the United States of America ("**US**") in February 2014, the Company's net sales have increased more than four times and the operations have significantly expanded in scale and geographic coverage. About 80% of the Company's business is based in the US. The acquisition was very substantial and transformative.

Since the Company's audit requirements have significantly increased, the Company believes that this would be an opportune time to review the change of Auditors based on the outcome of a global request for proposal, benchmarking relevant experience and expertise, particularly in the US given its contribution to the enlarged Group, as well as relevant markets in Asia. Engaging a new audit firm would also accord the Group an opportunity to benchmark fees and realise cost efficiencies in light of significantly higher audit costs of the enlarged Group.

As a matter of new policy, the Audit and Risk Committee and the Board of Directors are of the opinion that a review of Auditors should be carried out every five years.

Accordingly, KPMG's term in office as Auditors will expire upon the conclusion of the GM. Following discussion with the incumbent Auditors, KPMG had agreed and provided the Company with their intention to retire at the forthcoming GM. The Company had also accepted their retirement.

The Directors wish to express their appreciation for the past services rendered by KPMG.

Efforts have been made by the Company to identify and appoint other suitable candidates (i.e. among the Big Four Audit Firms in Singapore¹) as new Auditors to perform the audit for the Group.

The Company invited reputable audit firms in Singapore (i.e. the Big Four Audit Firms in Singapore, including the incumbent Auditors) to submit proposals for the audit of the Group for the financial year ending 30 April 2016. The request for proposal included the invitees' network of firms, primarily in the US and the Philippines.

After reviewing the credentials, scope of services and fees proposed by the Big Four Firms in Singapore (including their ability to meet the Group's requirements), the Audit and Risk Committee, recommended to the Board the Proposed Change of Auditors.

¹ Big Four Audit Firms in Singapore refers to Deloitte & Touche LLP, Ernst & Young LLP, KPMG LLP and PricewaterhouseCoopers.

2.2 Opinion of the Directors and Audit and Risk Committee's Statement

The Directors and the Audit and Risk Committee are of the opinion, after having considered various factors (including the adequacy of the resources of EY Singapore, their experience and the audit engagement partner assigned to the Group, past working relationship with EY Singapore, EY Singapore's other audit engagements, the size and complexity of the Group, the number and experience of supervisory and professional staff assigned to the audit of the Group), that EY Singapore will be able to meet the audit requirements of the Group and that Rule 712 and Rule 715 of the Listing Manual have been complied with.

The Audit and Risk Committee has reviewed and recommends the Proposed Change of Auditors, having satisfied itself of the suitability of EY Singapore and ensuring compliance with the Listing Manual.

Subject to the Shareholders' approval, the Company will appoint EY Singapore and overseas independent member firms of Ernst & Young Global Limited ("**EY Global**") to audit its Singapore-incorporated subsidiaries and significant associated companies, and significant foreign-incorporated subsidiaries of the Group.

2.3 Confirmation from KPMG

In accordance with the requirements of Rule 1203(5) of the Listing Manual, KPMG has confirmed that they are not aware of any professional reasons why EY Singapore should not accept their appointment as Auditors.

2.4 Confirmation from the Company

In accordance with the requirements of Rule 1203(5) of the Listing Manual, the Company confirms that:

- (a) there were no disagreements with KPMG on accounting treatments within the last 16 months;
- (b) it is not aware of any circumstances connected with the change of Auditors that should be brought to the attention of the Shareholders;
- (c) the specific reasons for the change of Auditors are disclosed in Sections 2.1 and 2.2 above; and
- (d) it has complied with Rule 712 and Rule 715 of the Listing Manual.

2.5 Information on EY Singapore

EY Singapore is registered with the Accounting and Corporate Regulatory Authority and is an independent member firm of EY Global. EY Global is a network of professional accounting firms, represented by 728 independent firms in over 150 countries. EY Singapore is one of the Big Four Audit Firms.

Under the scope of engagement, EY Singapore will audit the Group's consolidated financial statements and audit the international companies of the Group, outside of the US and the Philippines. The US subsidiaries will be audited by EY US for the legal entity audit and by EY Singapore for Group audit purposes.

EY Singapore has a responsibility to report to the Shareholders whether in their opinion, based on their audit, the consolidated financial statements of the Group give a true and fair view of the state of affairs of the Group. EY Singapore will sign off on the Group's consolidated financial statements and the Annual Report (to be submitted to the Singapore Exchange Securities Trading Limited ("**SGX-ST**"). For the avoidance of doubt, Sycip Gorres Velayo & Co. (Ernst & Young Philippines) will not be signing

off jointly with EY Singapore on the Group's consolidated financial statements that will be submitted to the SGX-ST.

3. THE APPOINTMENT OF SYCIP GORRES VELAYO & CO. (ERNST & YOUNG PHILIPPINES) AS PHILIPPINE AUDITORS OF THE GROUP ("EY PHILIPPINES")

3.1 Background

The Company's shares have also been listed on the Main Board of the Philippine Stock Exchange, Inc ("PSE") since June 2013. As such, the Company is subject to the Securities Regulation Code of the Philippines ("SRC") and the rules of the Philippine Securities and Exchange Commission ("SEC"). SRC Rule 68, as amended, requires all publicly listed companies to appoint an auditor accredited by the SEC.

Aside from auditing the Philippine subsidiaries, EY Philippines would sign off the Group's consolidated financial statements, for the purposes of submission of the same to SEC, as required by the SEC. The SEC recognises only SEC-accredited auditing firms (ie essentially local Philippine auditing firms). Moreover, EY Philippines would be providing back office support to the audit requirements of their colleagues in the US and Singapore.

EY Philippines is affiliated with EY Singapore and EY Global, one of the Big Four Audit Firms.

3.2 Information on EY Philippines

EY Philippines is registered and accredited with the SEC, and is a member firm of EY Global. EY Global is a network of professional accounting firms, represented by 728 independent firms in over 150 countries. EY Philippines is one of the Big Four Audit Firms.

EY Philippines has 100 partners and staff strength of over 4,600. EY Philippines offers integrated solutions in assurance, tax, transaction and advisory services.

More information about EY Philippines and EY Global can be found at www.sgv.ph and www.ey.com.

Ms Catherine Lopez will be the audit engagement partner assigned to the audit of the Group. She is a member of the Philippine Institute of Certified Public Accountants (PICPA).

Ms Lopez has over 24 years of experience in the audit of local, multinational and listed companies in diverse industries.

3.3 Opinion of the Directors and Audit and Risk Committee

The Directors and the Audit and Risk Committee are of the opinion, after having considered various factors (including the adequacy of the resources of EY Philippines, their experience and the audit engagement partner assigned to the Group, past working relationship with EY Philippines, EY Philippines' other audit engagements, the size and complexity of the Group, the number and experience of supervisory and professional staff to be assigned to the audit of the Group), that EY Philippines will be able to meet the audit requirements of the Group and that SRC Rule 68, as amended, has been complied with.

The Audit and Risk Committee has reviewed the proposed appointment of EY Philippines and having satisfied itself of the suitability of EY Philippines under SRC Rule 68, as amended, duly recommended to the Board the appointment of EY Philippines as Philippine Auditors of the Group.

Subject to the Shareholders' approval, the Company will appoint EY Philippines as Philippine Auditors of the Group.

4. DIRECTORS' RECOMMENDATION

Having considered and reviewed the adequacy of the resources and experience of EY Singapore and EY Philippines, the Directors are of the opinion that the Proposed Change of Auditors and the appointment of the Group's Philippine Auditors are in the best interests of the Company, given the enlarged Group. Accordingly, the Directors recommend that the Shareholders vote in favour of the relevant Ordinary Resolution to be proposed at the GM.

5. CONSENTS

KPMG has given and has not withdrawn their consent to the issuance of this Appendix with the inclusion of, and references to, their name in the form and context in which they appear in this Appendix.

EY Singapore has given and has not withdrawn their consent to the issuance of this Appendix with the inclusion of and references to their name in the form and context in which they appear in this Appendix.

There is no requirement under the PSE or SEC for EY Philippines to issue a letter of consent.
