PRESS RELEASE: INCIDENT AT DMPI CAMP PHILLIPS

Del Monte Pacific Limited (“DMPL”) wishes to inform the SGX that at around 6.00 PM yesterday, February 19, 2013, a group of members of the New People’s Army, a leftist militant group entered Camp Phillips, a residential community for Del Monte Philippines, Inc (“DMPI”) employees in Bukidnon, Philippines.

The Group had apparently tried to rob a Petrol Station outside the Camp and retreated inside the Camp when confronted by the Philippine National Police. They burned three heavy equipment units to cover their retreat to the mountains. One security guard was fatally shot while resisting their entry. All residents of the camp were unharmed.

DMPL wishes to stress that the incident does not in any way affect the Plantation and Cannery operations and both are running normally.
