

HOST A LIVE NBDE PART 1 STUDY SESSION

An Interactive Student Webinar with B&B Dental

Join B&B Dental for a live study session for the NBDE Part I! In this interactive webinar you'll gain valuable tips about a variety of topics from the exam.

B & B D E N T A L
NBDE TEST PREP

WHAT YOU CAN EXPECT

- Learn about how to approach the NBDE Part I
- Learn why students feel unprepared by traditional studying and how B&B helps students prepare a plan and methodology for NBDE Part I prep
- Get in-depth teaching on specific topics from the exam, such as biochemistry, immunology, etc.
- Gain insight into the best tips from students at other dental schools
- Explore SmartTrends – the questions and topics most likely to be asked on the exam based on years of research of past exams
- Learn the difference between memorizing an answer and learning the concept
- Get a look inside the study software and how it works
- Interactive polling of exam topics and questions during the actual webinar

LENGTH

The average webinar is 45 to 60 minutes long, but can be tailored to the time frame you have available.

INTERACTIVE!

If possible, B&B Dental would love to have each individual student registered in advance for the webinar. The link and registration page would be provided. This way each student can participate in the Q&A live as the presentation happens.

FOR MORE INFORMATION

To book your live study session for your ASDA chapter or student group, contact the B&B Dental team at marketing@bandbdental.com.
