A leader in advanced real estate education, the Real Estate Institute of Canada (REIC) is an association of professionals that has been educating and certifying individuals in real estate since 1955. The internationally recognized designations offered by REIC are an excellent way for consumers, investors and portfolio managers to identify committed and experienced real estate professionals.

REIC courses, which can be taken as part of an Institute designation, or as stand-alone education, are the most well-respected and comprehensive courses offered for real estate professionals across Canada.

REIC members have extensive experience in their sector of the Real Estate Industry, proven by the successful completion of their accreditation studies
