

## NAV-ANY NAV Anywhere Training

To-Increase Product:	NAV Anywhere
Part of To-Increase Solution:	Enterprise Mobility Solutions for Microsoft Dynamics NAV
Technology:	Microsoft Dynamics NAV 2017
Length:	2 days
Language:	English
Type:	Course
Price per trainee: <i>(excluding travel and expenses)</i>	EUR 798 , USD 998 or 2 training vouchers

**Purpose of this training:**

NAV Anywhere is the mobility solution for Microsoft Dynamics NAV. It features a device independent mobile solution using browser capabilities. The Flow driven design offers a flexible configuration of mobile processes and is positioned as a cost saving and error reducing product.

In order to take the maximum benefit from this competitive advantage, this training is a must for every functional/technical Microsoft Dynamics NAV consultant. The instructor will address the fundamentals of NAV Anywhere by using a number of different cases. After the training the participant will be able to setup and maintain Mobile Processes.

For your convenience, the course agenda for this Training Agenda is presented below.

**Agenda:***Day 1*

- Introduction
- Overview of the Architecture
- Architecture in-depth
- Installation and Configuration
- Case: creating new processes

*Day 2*

- Introduction
- Overview NAV Anywhere Framework
- Advanced features & customizing the application
- Case: creating a complex process

**Prerequisite Knowledge:**

- Microsoft Dynamics NAV 2017

**Training Requirements:**

- Requirements for training: each trainee will require a laptop/PC. System requirements: 30GB free disk space available on an internal disc drive, 2GB RAM available memory, Oracle Virtualbox VM or, preferably, Hyper-V installed on the laptop.

Install before training: NAV Anywhere training VPC. For download/installation instructions, see “ANY for Dynamics NAV 2017 Training VPC.pdf”. After starting the VPC image, you may need to adapt your keyboard layout (for non-US keyboard layouts).
