

How to set the correct POS file format for Kesko

This guide shows you how to get the correct format for Kesko POS reports for effectmanager.

POS data reports from Kesko can be sent automatically from Kesko to effectmanager. The file format for Kesko POS reports is CSV files.

⚠ OBS! Be careful not to open your CSV file before uploading it, this will damage the number format in the file, and the *EAN* number format will be wrong leading to the creation of duplicate products in the cube.

If you are looking for a guide, that shows you how to upload your Kesko files to effectmanager, please see our guide [How to upload Kesko POS reports](#)
