

# How to add Product Pictures in effectmanager

This guide shows you how to add product pictures in effectmanager.

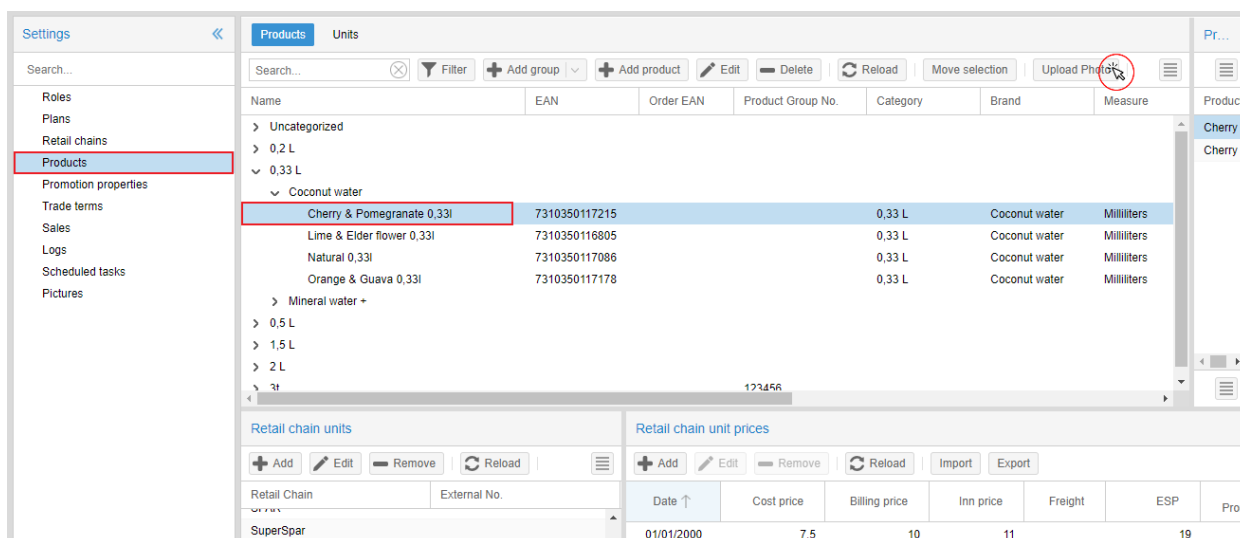

When you have created your products in effectmanager, you can add product pictures to the master data. Product pictures are used in several reports for both internal and external use. We will go through these below.

## Adding product pictures

To add Product Pictures, go to *Settings* and on the right-side menu, select *Products*.

1. Find the product you want to add a product picture to.
2. Click on the product to select it. Navigate to the top menu and press *Upload Photo*.

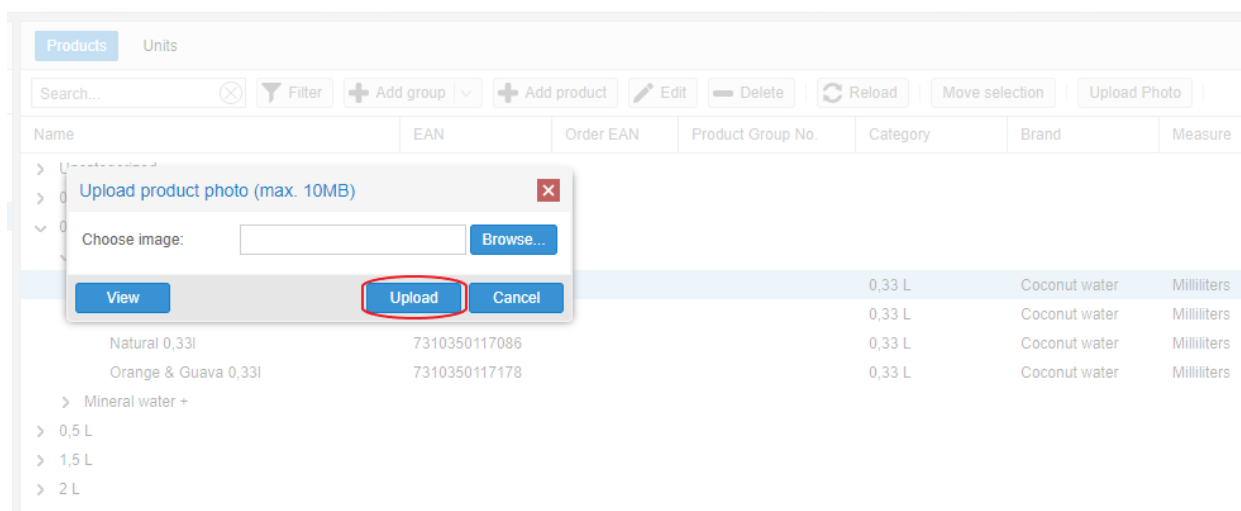

The screenshot shows the 'Products' section in the left sidebar, which is highlighted with a red box. The main area displays a table of products with columns for Name, EAN, Order EAN, Product Group No., Category, Brand, Measure, and Product. The product 'Cherry & Pomegranate 0,33l' is selected, and its row is highlighted in blue. The 'Upload Photo' button in the top right corner of the table is circled in red.

> Mineral water +							
> 0,5 L							
> 1,5 L							
> 2 L							
> 3l							

3. In the pop-up window, press *Browse* to find the product pictures. Finish by pressing *Upload*.

A new pop-up informs you that your photo is now uploaded.

If you want to see the product picture you have uploaded, press *View*.
