

Automaker Parts Programs

Plus all-makes parts ordering through CollisionLink®

CollisionLink is an **all-makes** parts procurement solution with parts programs from participating dealers.

Automaker parts programs offer dealer incentives, which allow shops to receive highly-competitive pricing when select OEM parts are used instead of non-OEM parts.

Participating Dealers: GM, Ford, FCA*, Kia, Nissan, Infiniti, Toyota**, VW, Mazda, Volvo, Subaru, Hyundai, Mercedes-Benz, Mitsubishi, BMW, MINI and Lexus.

CollisionLink is a dealers sponsored program allowing shops to use CollisionLink at no cost to order OEM parts from their preferred dealers.

*Includes Chrysler, Jeep, Dodge, Ram
**Toyota SET & Toyota GST

Start using more OEM collision parts today to increase the speed, accuracy and customer satisfaction on every repair.
