Part description

GM

FORD

Bin label service features:

- Receive bin labels for all OE parts inventory
- Receive a complete list of labels for all stocked parts within 30 days of enrolling
- Receive labels for new and changed part numbers
- New and changed labels arrive each month: automatically
- Non-smear, thermal transfer print.

Bin labels help:

- Increase efficiency
- Locating parts
- Reduce restocking errors
- Save time
- Speed physical inventory processes
- Speed up price-check routines.

Choose a label format:

Card stock: size: 27/8" x 7/8"
Adhesive labels: size: 3" x 1"

Bin label contents

- Group number and bin location (GM dealers only)
- Alternate part number (Ford dealers only)
