

Make data-driven decisions with your mechanical parts sales.

Go beyond monitoring your dealership's parts sales performance in RepairLink. Use interactive, visual dashboards to make smarter, customer-driven strategic decisions.

Easily track performance by drilling down into your regional and shop-level data

Easily view top indicators including sales, cart starts, unique transacting shops, and your staff's turnaround times

Act quickly on changes in behavior by monitoring department and shop-level trends, including shop activity on RepairLinkShop.com

Detect purchase fluctuations by monitoring monthly and daily transacting shops

View key shop information to generate part sales with margin including reimbursement (if available)

LinkIQ turns opportunities into parts sales.
