

# Reporting

## Make meaningful reports specific to your parts business.

Create standardized and ad-hoc reports to make smarter, customer-driven decisions for all of your OEC solutions and DMS part sales data in a single reporting suite.

**Quickly access data** you want to see with an easy-to-use report wizard

**Easily understand the dynamics** of your business with summarized performance reports by sales person, customer, and part number

**Quickly access what you really care about** by sorting, filtering, or adding/removing columns for your reports
