

21% OFF! (Average Reduction on MSRP)

We are pleased to announce that based on the success of our current radiator and condenser price reduction campaign, we are expanding the list and adding an additional group of 204 and 212 collision parts for MAJOR reductions - on average about a **21%** decrease in pricing (MSRP) - in order to position our prices as competitively as possible in the market and also offer better price during the collision season of the year. **This pricing reduction will be effective beginning January 1st, 2019.** Please see lists below for exact part numbers and contact your local dealer for details!
