28th Annual SRI Conference
Hotel del Coronado | San Diego, CA
November 1–3, 2017

Dear Friends of The SRI Conference:

As a member of our community, you have likely experienced the robust agenda, expansive networking opportunities, and overall sense of congeniality and collaboration that characterizes [The SRI Conference](#).

There are many promising students and young professionals expressing interest in learning more about the SRI / ESG industry. Two years ago, a group of First Affirmative Financial Network emeriti and longtime affiliates took the initiative to create The SRI Conference Scholarship to ensure that the culture, commitment and competence of the pioneer SRI movement is sustained into the next generation.

Since then they have been able to introduce a diverse group of 20 smart, dedicated young professionals to the SRI / ESG community by offering them full scholarships. These talented young people have both attended the conference and shared what they are learning with their social and professional networks. The comments and compliments of the first two years' winners clearly show the strong impact that attendance at The SRI Conference has had on their early careers.

Please consider this a cordial invitation to donate to the 2017 SRI Conference Scholarship fund. The goal is to raise at least \$18,500 which will allow us to bring ten qualified scholarship recipients to the Hotel del Coronado in San Diego, November 1-3, for the 28th annual SRI Conference. Your tax deductible contribution, however large or small, will help us get there quickly. And if we raise more, we may be able to award additional scholarships.

To contribute, please

- 1) Fill out the Donor Form at <https://goo.gl/forms/AHUXFEAUz0yF8ael1> and then
- 2) Send in your contribution either by check or electronically as instructed on the Donor Form.

NOTE: If you know educators who are working with potentially qualified applicants, please provide us with their contact information. And if there is a specific person who you think would be a worthy scholarship applicant, please provide that information on the form and we will reach out with an invitation to apply.

Thank you in advance. We hope to see you in San Diego in November!

Warm wishes,
