

Start Planning Your Leadership Journey

Congratulations — you’ve decided to take the next step to building your future as a successful leader. This is your opportunity to broaden your knowledgebase and skills. You will need approximately 150 CME hours outlined in the streamlined curriculum to be eligible for our Capstone event, the final step in earning your CPE credential. Below, we have identified the core and elective course options necessary for your CPE eligibility. New courses are being developed and added quarterly. For more information, visit us online at www.physicianleaders.org/new.

Legend: Course Format

DE – Distance-education courses are self-paced learning experiences accessed online.

Facilitated DE – Facilitated courses are online, faculty-led learning experiences that last four to six weeks and encourage collaboration with classmates.

Live – Live courses are offered in-person, at AAPL institutes, where learners receive face-to-face instruction from expert faculty members.
