

## OUR MEMBERSHIP PROGRAM

The **American Association for Physician Leadership**<sup>®</sup> has served the needs of physicians for 40 years through a variety of leadership programs and education. Our **dashboard**, **knowledgeable staff members** and **careers team** give you the competitive advantage you need. We keep you up to date with contemporary physician leadership education content and delivery.

Membership in our organization means you have advanced your **leadership goals** and want to remain plugged into a growing **network of more than 9,000 physician leaders**. As the only professional organization dedicated to supporting physician leaders through education, professional development, leadership resources and community, membership in the American Association for Physician Leadership is the investment of choice for physicians looking to reach their career goals and transform their delivery of care.

## Your Member Benefits

- **Member discount of 15%** on education and certification opportunities as well as our live events.
- **Members Near Me** online tool guides you to peer interactions. Great networking feature to use whenever you're traveling, or at a live event.
- Free subscription to our peer-reviewed, award-winning **Physician Leadership Journal** (six issues annually).
- Online **Membership Directory** listing in which other members have the ability to connect with you through advanced search options (alumni, specialty, credentials, title, organization).
- **Online dashboard** that allows members to easily maintain their membership, access course, test and manage their CME, track progress toward earning CPE and master's prerequisite work.
- Members-only access to **webinars** and **podcasts**.
- **Volunteer opportunities** to showcase your leadership success through learning lab presentations, taskforces or committee involvement.
- **Stay informed** through our leadership curated Daily Digest and other email communications.
- Achieve **certifications, fellowship** and **Vanguard** status, putting you ahead of your peers.
- Bring our **physician leadership programming** to your organization and augment or complement your health care delivery system's initiatives. Special organizational rates apply.
- **Career Services** ready to assist with résumé reviews, career counseling, job board postings and individual employment assessments.
- **Access to physician wellness initiatives**, insights to the industries trending topics and more.
