

Fellowship Application

The standards for fellowship and the application process are rigorous. All applicants must meet all criteria and standards to the satisfaction of the Council of Fellows. It is the responsibility of the applicant to demonstrate to the Council of Fellows that he or she meets these requirements. Completed applications are then reviewed by the Council of Fellows. Candidates will be notified of their fellowship status by early February. There is a \$200 non-refundable application fee.

Further instructions on fellowship application:

- Describe your most significant contributions to physician leadership. Be clear and concise.
- Describe your most significant achievements in physician leadership, and please explain how what you did improved health care and its delivery outside of your normal job activity.
- The required letter of support from a current Association Fellow should state how the individual knows you and assess your contributions to physician leadership and your potential for contributions in the future as a Fellow of the Association.

Questions regarding the application should be directed to cpe@physicianleaders.org
