

Create a New MyEverythingDiSC® Account

1. Click on the link in the email you received:

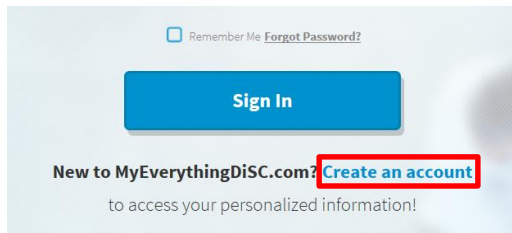

To begin responding, please click on the link below:

[https://www.inscape-epic.com/default.aspx?ac=\[ACCESS CODE\]](https://www.inscape-epic.com/default.aspx?ac=[ACCESS CODE])

2. This link opens the website where you took your Everything DiSC® assessment. Click the “Go to My EverythingDiSC.com” button.

Go To MyEverythingDiSC.com

3. This opens the MyEverythingDiSC website. Click the “Create an account” link below the Sign In button.

4. Enter all required information, and then click the **CREATE AN ACCOUNT** button.
5. An activation email is sent to the email address you just entered. Open that email and click the “**Activate your account on MyEverythingDiSC.com**” link.

Hello Marcus,

A MyEverythingDiSC.com account has been created for you! Before you can sign in, you must first activate your account.

[Activate your account on MyEverythingDiSC.com](#)

6. The MyEverythingDiSC site opens, logged in to your account, with a welcome pop-up displayed.

Welcome to MyEverythingDiSC.com!

We're pleased to introduce interactive learning tools that will help you better understand your DiSC Style – and provide you with personalized tips for working with others. For the best experience possible, we recommend you set up your account profile first.

GO TO ACCOUNT

Your report is now located in MyEverythingDiSC, with custom content that is enabled by your Everything DiSC program administrator. Access to site features will depend on what has been allocated for your profile by your administrator.

If your completed profile is not loaded in your account after completing the process mentioned above, go to the My Reports page and enter your Report access code (located in your email or on the cover of your report). Press the Add button*.

Enter or paste your access code

for example: C9PAG9WY99
