DIESEL CARTAGE TANKS

DieselCadet™ 2000L

with 60L/min Pump and LiquidLocker™ Safety System

CODE: DUC2000LFB060V1

The DieselCadet™ range of poly diesel tanks are widely regarded for their versatility when transporting larger volumes of diesel. These free-standing diesel cartage tanks can be tray mounted and kitted out with pumps and hose reels to suit different applications.

- » Manufactured from specifically formulated diesel grade polyethylene that meets **International Regulation ECE R34.01 requirements**
- » **Diesel grade polyethylene** construction, complies with AS1940-2004 and AS2809.2-2008
- » Reliable **60L/min Fluid pump** with integrated bypass valve in pump body
- » **Auto shut-off nozzle** prevents overfilling and fuel wastage
- » **6m delivery hose** for extra reach
- » **Swivel** to prevent time-wasting hose tangles
- » **4m electrical cables** with battery clips
- » **Earth strap** to prevent static build up when filling tank
- » With **SureFit** pin mounting system - 4 x Pins Supplied
- » **Fitted with LiquidLocker™ System**
