FIRE FIGHTING UNITS

FireDefence™ 600L

Slip-on Unit with Honda Engine and Davey Pump

CODE: SFD0600LZ

A compact combo that always delivers punch, the FireDefence is in a class of its own. The unique mounting of the pump, motor and reel ensures the centre of gravity is low and safe, making it the perfect choice for property owners.

- » UV stabilised polyethylene tank - with 20 year warranty
- » Low profile design - For safety, stability and ease of operation
- » Liquid Locker Baffle System - Fitted with Liquid Locker Baffle System to prevent liquid surge
- » High Pressure Pump - Reliable, genuine GX160 Honda engine coupled with 500L/min Davey single impeller fire pump
- » 6m quick fill suction kit for filling from channels, dams, rainwater tanks etc
- » Smart easy plumbing using camlock fittings allows fast changeover
- » Heavy duty steel hose reel - Complete with 36m x 19mm hose, safety locking catch and adjustable twist type fire fighting nozzle
- » Easy Mounting - Slide easily into your ute or trailer
