

Dispatch Vehicle Sizes

A Guide to Drive with Dispatch

Car

2 or 4 Door Sedan

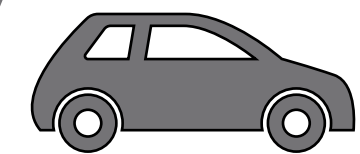

Most items can fit in the front seat. This includes items like paint cans and supplies, AC and plumbing parts, small automotive parts, tools, a box of tiles, small signage, cleaning supplies, and documents.

Mid Sized

SUV, Crossover, & Minivan

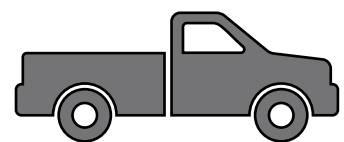

Mid sized vehicles can hold the same items as cars, but it can be larger quantities. This includes items like five gallon buckets of paint and larger signage.

Pickup Truck

Open or Closed Truck Bed

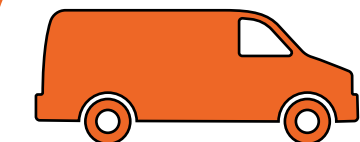

Pickup trucks can hold the same items as cars and mid sized vehicles, but larger quantities. Customers usually use this option for taller or longer items. This includes AC units, appliances, pipes, lumber, and ladders. Truck bed length should be a minimum of 78 inches.

Cargo Van

Classified Cargo Van

As the largest vehicle size, cargo vans can hold the same items listed previously, but larger quantities. This includes 5x10 signage, tables, lighting, spray and cleaning machines, and drywall. At a minimum, cargo vans have to fit a 4x8 pallet.
