5-minute activities you can do with your family and friends over the Holiday to laugh, bond and have a blast!

Activity - What the heck's in that stocking?

Christmas Fun in 5 Instructions:

Put an object from the house in a Christmas stocking and make everyone blind-guess what it is. The catch is, you can only feel from the outside, no peeking! Whoever guesses right ... gets what is in the stocking!

Why do we have Christmas stockings?

Christmas Stockings are a variation of the ancient tradition where children would lay out shoes with hay inside for St. Nicholas' (a real person and real saint!) donkey on the evening of December 5th, which was St. Nicholas's Feast Day. If the children were good, the hay would be replaced with treats or coins.

Get your friend(s) together and sing "Jingle Bells"... but only sing in Ha's! The last person in your squad to keep it up -- WINS!

Why sing Christmas Carols?

Before the 19th Century, neighbors visited each other to offer good luck and cheer. The idea of singing carols is a mashup of May Day celebrations and this tradition.

Why Christmas Trees?

Dating even before Christianity, people decorated their homes with evergreen swag to remind them that the plants would return in abundance, and it would be harvest season again. This was absorbed into the Christian tradition of Christmas when people would decorate evergreen trees with apples to symbolize the garden of Eden.

Activity - Give-a-care

Christmas Fun in 5 Instructions:

Get your friends or family together to write a super-nice note (more than 5 words!) in a Christmas card for that person you know that needs a little extra love or encouragement! Everyone wins, and everyone smiles!

Why the Christmas Card?

The first Christmas card as we know it was released in 1843, with a price point of a penny to mail. This inexpensive way to wish someone a Merry Christmas soon blossomed into a Christmas tradition.

Why Santa?

Saint Nicholas was said to have inherited a fortune, which he spent giving away to the sick and poor over the years.
