

The Dating Project

What others have to say:

Chicago Tribune

“Cronin coaches students on how to date successfully — she explains what a proper date looks like and how the dates should advance without skipping important steps to cement a foundation for a solid relationship.”

Fox News columnist Suzanne Venker

“The film is short, engaging and very well done – you will love the music, the cinematography and the dialogue... ‘The Dating Project,’ in my estimation, the most important documentary in recent years.”

OSV Newsweekly

“Since the hook-up culture has dominated much of college life, young people do not know how to date. Seemingly easy things, like asking someone out for coffee, become a challenge. People don’t know how to ask someone out, where to go, what to do, what to talk about, what not to talk about and when to initiate physical contact and what kind of contact to have.”

National Catholic Register

“*The Dating Project*... highlights the dating dearth in an authentic way... Cronin... blames that on the way sexual intimacy has been moved to earlier in a relationship by modern culture.”
