Seventh Commandment: You Shall Not Steal

***Please note:** Some of our lesson plans contain links to Christian, non-Catholic resources. When preparing your lessons, we urge you to inform yourself on the teachings of the Catholic Church with respect to the Sunday gospel and readings. If you find links in any of the lesson plans which may be counter to the teachings of the Church, please notify lisa@catholicmom.com. These lesson plan helpers are designed to assist you in pulling together creative ideas and activities to supplement your lesson plan, but are not designed to be catechetical in nature. Thank you for your continued prayerful support.*

Do you respect property?
Do you steal – even small things? Or big things?
Do you vandalize or break other people's property? For example, write on other people's books?
Do you vandalize public property?
Do you borrow things and purposely not return them?
Have you kept others from having what they deserve?
Do I not use the things I have wisely?
Do I fail to treat my things with respect?

"Do Not Steal" lesson with story, activity, and puzzle.

Game: What's Missing?

Need: Several common small objects

Directions: Place several small objects on a tray or table in front of the students where they all can see (number of objects that are age appropriate). Have the students name each object as you point to them. Students hide their eyes while the teacher removes one object. Then the students look and guess which object is missing. Who ever guesses right gets to remove an object and have everyone guess "What's Missing".
