

The Holy Mass Game

Materials- large die, questions about Mass

Make a die out of a large juice carton <http://msscrafter.com/crafts/creationdice.htm> and put a ? mark on some (at least 3) of the sides of the die.

Directions- The objective of the game is to be the first player to score 10 points. Have a player roll the die on the floor in front of the class. If the die lands on a blank space, they do not answer a question. If the die lands on “?”, they are asked a question by the teacher about Mass. If the player answers correctly, they receive a point (you can use tokens, write it on the board, etc.). If they are not correct, they do not receive a point. The first player to score 10 points, is the winner.

You can play this game individually or in teams. For an added challenge, you can also have “Lose 1 Point” and “Take 1 Point” on a side of the die. When a player rolls “Lose 1 Point”, they must lose 1 point. If a player rolls “Take 1 Point”, they may take a point from any player they choose.
