Cash Processing Solutions

Provides bulk cash handling organisations with a range of sophisticated high speed cash sorting and authentication systems as well as software solutions, consultancy, service and support to enhance the productivity, performance and security of cash processing operations. The business also manufactures inspection equipment for banknote printing facilities, enabling new notes to be quality assured prior to issue.

Security Products

Delivers solutions critical to the authentication of products and documents to protect revenues for governments, commercial organisations and financial institutions around the world. It supplies authentication labels, brand licensing products and government and financial documents, along with the associated software and systems.

Identity Systems

Develops and delivers sophisticated identity management solutions. As a specialist systems integrator, it works with governments around the world to secure personal identities, focussing on the provision of passport, ePassport, national ID and eID, driving licence and voter registration schemes.
