Warning to shareholders – boiler room fraud

We are aware that some shareholders might have received unsolicited telephone calls or correspondence concerning investment matters. These are typically from overseas based 'brokers' who target UK shareholders, offering to sell them what often turn out to be worthless or high risk shares or investments. These operations are commonly known as 'boiler rooms'. These 'brokers' can be very persistent and extremely persuasive. You should always check any firm calling you about investment opportunities is properly authorised by the FCA. You will find useful advice and information about protecting yourself from investment scams on the FCA website www.fca.org.uk/consumers.
