9160 Red Branch Road
Suite W-1
Columbia, MD 21045

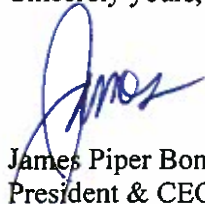

Dear Ms. Schell:

On behalf of the Living Classrooms Foundation I would like to thank you very much for your generous donation of the disk flattening service for the 28 computers donated by Obrecht Properties, LLC. Your gift will support our mission of providing youth with important hands-on education and job training to build self-esteem and character. Living Classrooms expands a young person's horizons, teaching valuable career, academic and life skills.

Living Classrooms Foundation serves thousands of youth with our innovative education and job skills training programs that take place aboard historic ships, at the Foundation's East Harbor Campus, Douglass-Myers Maritime Park, Carmelo Anthony Youth Development Center, National Historic Seaport sites, and through significant outreach and community-building projects in Baltimore and the National Capital Region. These programs are making a difference in the lives of inner-city youth and young adults, by inspiring them to achieve success and teaching them skills that will help break the cycle of poverty. Your support will empower even more youth with a viable alternative to "life on the streets" and provide thousands of students with a hands-on method of learning not available in the traditional classroom.

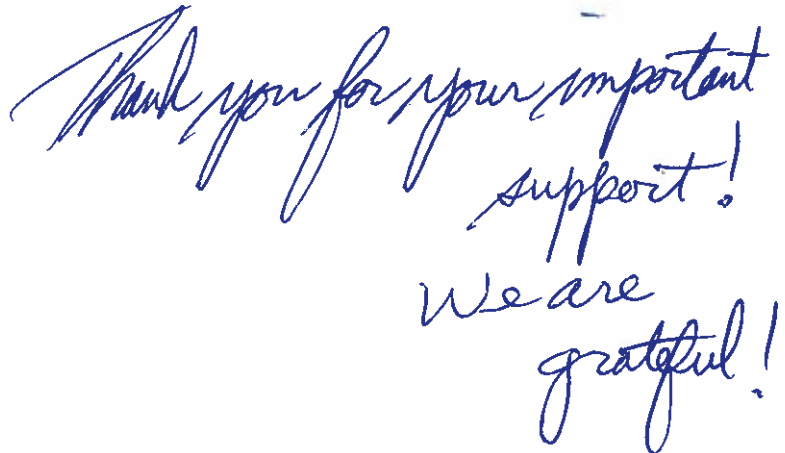

Thanks to your support, Living Classrooms will continue to provide this effective education for underprivileged youth.

Sincerely yours,

James Piper Bond
President & CEO

The Living Classrooms Foundation is a nonprofit 501(c)(3) organization dedicated to serving the community and empowering youth. It is our responsibility under the new IRS provisions to inform you that your recent contribution is fully tax deductible. You have not received any premiums or gifts in return for your donation. Please retain this letter for your tax records, as this fulfills the substantiation requirement that must be met in order that you may deduct your contribution.
