

As Easy as 1 2 3

1 Receive Brown Carton

Use caution when using blade to open brown carton. Do not cut through box.

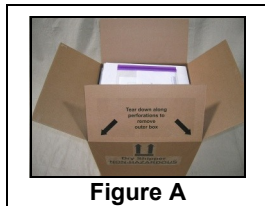

Figure A

2 Load

LOAD SAMPLES

See "How to Load Samples" instruction sheet for full details.

(Instructions are located on the back side of flap "1")

3 Ship Brown Carton

When preparing to ship, make sure flap "2" is on **TOP** of Brown carton! Be sure you followed "How to Load Samples" instruction sheet.

(Instructions are located on the back side of flap "1")

Seal top of Brown carton with packaging tape.

Carton is ready for pick-up.
