COLUMBUS, OH 43218-3990

October 10, 2013

Mr. Phil Paxson
Integra Technologies LLC
3450 Rock Road, Suite 111
Wichita, KS 67266

Dear Mr. Paxson:

Re: Commercial Laboratory Suitability Status, MIL-PRF-19500P, MIL-STD-750, FSC 5961; VQE-14-027142; Control Number 040839

This office has received your supporting documentation showing completion of corrective actions regarding the deficiencies from your July 24- 25, 2013 QTSL and commercial laboratory facility audit.

Based on this information and the audit performed by Messrs. Carl DelloStritto and Mr. Alan Barone of this Center, your facility is considered suitably equipped to perform conformance inspection, and screening tests to Performance Specification MIL-PRF-19500P, Semiconductor Devices, for the following MIL-STD-750 Test Methods and Conditions:

1016	1042 A,B,C	3011	3131	3411	4011	4221
1022	1051 A,B,C, F, G	3026	3236	3413	4016	4226
1026	1081	3030	3240	3415	4021	
1027	2026	3036	3261	3421	4071	
1031	2031 B,I,J,K	3041	3320	3475	4076	
1032	2036 A,E	3061	3401	3501	4101	
1036	2066	3066	3403	3505	4136	
1037	2071	3071	3404	3510	4206	
1038 A,B	2100	3076	3405	3570	4211	
1039 A,B	3001	3100	3407	3575	4219	

This suitability is valid until terminated by written notification from this Center. If warranted, laboratory suitability status may be withdrawn by this Center at any time. If you have any questions, please contact Mr. DelloStritto at 614-692-0616.

Sincerely,

RAYMOND KOLONCHUK
Chief
Electronic Devices Branch
