# SAP Learning Journeys

A simple way to guide your learning

## What kind of Learning Experiences does SAP offer?

Classroom

### Face-to-Face & Virtual Classroom Learning

offer the traditional instructor-led training experience.

Instructors and learners meet at a training site or, in the case of Virtual Live Classrooms (VLC) they connect over the web to participate in a comprehensive training and hands-on learning experience.

eLearning

Handbook

### eLearning

provides interactive, Web-based materials that you can use at your own pace. You control what to focus on and when; decide how many times you want to go over the materials, and when to stop.

eLearning can contain text, videos, demos, simulations, and other media and can be used for regular courses, Early Knowledge Transfer, or other purposes.

openSAP

### openSAP courses

are free, open, online courses on SAP's latest innovations.

Courses consist of videos, self-tests, discussion forums, weekly assignments, and a final exam.

After a course closes, all learning content remains available for consumption in self-paced mode.

### SAP Live Access

lets you get hands-on experience with a live, fully supported, and private SAP system -preconfigured with the data you need to complete the exercises in SAP Learning Hub classes and free exploration.

Available to SAP Learning Hub subscribers in fixed-hour plans.

[Learn More](#)

L. Room

### Learning Rooms

are online social environments where you can build and expand your SAP skills with informal social learning and curated learning content.

SAP Learning Rooms are delivered through the SAP Learning Hub and include all the content needed to achieve specific learning goals.

Academy

eAcademy

### Academies / eAcademies

are "bundles" of learning offerings that cover the content of multiple classroom or eLearning courses together.

Often, these integrated offerings lead to a certification or are designed to facilitate the uniform training of project teams.

[Learn More](#)

### Certifications

are exams of different lengths and types, validating specific levels of competence with SAP solution knowledge and skills such as Associate, Specialist, or Professional.

Certification exams can be taken worldwide at physical and virtual locations.
