

Reporting Plus™

SIMPLIFIED AND TRANSPARENT ACA REPORTING THAT REDUCES PENALTY RISK AND THRIVES WITHIN ACA GUIDELINES

A RELIABLE ACA SOLUTION THAT YOU CAN COUNT ON TO HELP YOU MEET IRS REQUIREMENTS

The Health e(fx) *Reporting Plus*™ cloud solution simplifies ACA-related tax form management, IRS submissions and corrections and removes the heavy burden often placed on internal resources.

With Health e(fx), you have an ACA and healthcare reform expert on your side. Our system was specifically designed to quickly adapt and support changing healthcare regulations. We monitor the law so you don't have to.

Don't let data errors pile up all year. *Reporting Plus* is a transparent reporting solution that verifies and validates your data each month, so you can actively review and audit your employees' information instead of waiting until the end of the year.

Why Choose Health e(fx) *Reporting Plus*?

Health e(fx) *Reporting Plus* is for employers who have a stable workforce and are looking for a simplified IRS reporting solution. With *Reporting Plus*, employers provide their complete data file to Health e(fx) and the technology:

- Builds your Forms 1095/1094 on a monthly basis for your ongoing review and management.
- Enables management of IRS corrections, revisions and submissions within the system.
- Provides employees with access to their forms through a self-service portal (optional).

**ACA reporting can be easier.
We can help.**
