

Champion Defender

Heavy-duty Safety for Light and Medium-duty Buses

Champion. The name speaks for itself. Dedication. Performance. Achievement. That's what we do and who we are. Our customers deserve quality and the peace of mind that only a skilled workforce with an ever-onward dedication to safety can provide. From small to mid-size transit buses, Champion's product lines always earn a spot on the podium. Now that's something to be proud of.

This medium-duty shuttle bus boasts heavy-duty performance. The Defender's wide body offers the greatest passenger capacity in the medium-duty category and its larger engine can handle the load.
