

# SolvTrue™

## F800 Solvent Recycler

*For Recycling Solvents in Industrial Applications*

*The SolvTrue™ F800 Solvent Recycler is a fractional distillation system for recycling industrial solvents including acetone, chloroform, hexane, methyl alcohol, methyl ethyl ketone (MEK), perchloroethylene, toluene, xylene, dichloromethane, mineral spirits and more.*

## Recycle and Reuse Industrial Solvents with 99.5% Recovery

Improve operational efficiency and achieve sustainability and cost savings in your facility with solvent recycling.

### Features

#### Automation

- Microprocessor controlled with easy-to-read LCD display
- Custom programming for unique solvent requirements
- Built for multiple shift operations

#### Safety

- Auto-shutoff safety features
- TechnoClean® Safe Hands hydraulic lift tank lid
- Closed loop operating system
- Heater elements immersed in thermal oil reservoir

#### Ergonomics

- Waste removal versatility
  - Tank drain for liquid waste
  - Disposable tank liner for solid waste
- Mobile; mounted on locking wheels for easy relocation

#### Performance

- Fractional distillation
- Purity of solvents up to 99.5%
- Process solvent and water waste

# F800 Solvent Recycler

## Technical Specifications

Capacity	8 gallon (30 liter)
Dimensions	34" W x 54" L x 68.5" H (86cm W x 137cm H x 174cm D)
Electrical Configurations	220/240V/3PH/60Hz – Standard
	440/480V/3PH/60Hz – Optional
	208V/1PH/60Hz – Optional
Fill Pump	Push button – Standard
	Computer operated – Optional
Cooling	Air cooled
	Chilled – Optional for low boiling solvents
Construction	Stainless steel
Recycler Height	68.5" legs or wheels optional

## Cost-Saving Benefits and Advantages

Our industrial solvent recycling solutions are designed to help lower your plant’s solvent spend, reduce solvent waste and disposal costs, adhere to relevant industry regulations, and maintain certifications while positively impacting the environment.

- **Achieve sustainability**
- **Reduce hazardous waste**
- **Improve operational efficiency**
- **Save up to 90% annually on solvent purchase and disposal costs**
