NEW SITE ACCESS GUIDELINES – COVID-19

The Shippers Group takes the health and welfare of our associates very seriously. In addition, our customers rely on us to safeguard their products and goods to insure once transported to the final destination the product is safe for the general public.

It is for this reason TSG is taking the unprecedented steps to insure all guests and transportation specialist are properly informed of safety precautions being put into place and how their cooperation is required until further notice.

ON-SITE DRIVERS RULES

The following guidelines are for both the safety of our workers as well as the Truck Drivers:

1. If you answered NO to the self-identify questions you are allowed on company property.
2. Drop off paperwork at the guard shack, receiving office or front office as directed.
3. We ask in general you do not stand around or hang out in the facility. Your health and safety is important to us as well.
4. You may visit the driver lounge for vending machines, but we ask that you do not loiter but return to your truck.
5. You may visit the bathrooms. We ask that you do not loiter but return to your truck. **WASH YOUR HANDS BEFORE LEAVING THE BATHROOM. USE PAPER PROVIDED TO DRY HANDS TO THEN OPEN THE DOOR.**
6. Use the hand sanitizers provided.

We appreciate you following these guidelines to insure the health and safety of everyone, including yourself.
