

NEW SITE ACCESS GUIDELINES – COVID-19

The Shippers Group takes the health and welfare of our associates very seriously. In addition, our customers rely on us to safeguard their products and goods to ensure once transported to the final destination the product is safe for the general public.

Non-Scheduled Visitors

If you do not have an appointment to meet with any member of the staff, we ask that you please come back another day after confirming an appointment.

Job Seekers please visit our website at: www.Theshippersgroup.com

Scheduled Visitors and Truck Drivers

Guests and Truck Drivers please answer the following question and give your response verbally to the attendant:

- a. Have you been out of the country in last 14 days or anyone you are close to traveled outside of the USA? **YES OR NO**
- b. Do you have flu like symptoms or has someone you have had close contact with have flu like symptoms? **YES OR NO**

If you answered “**YES**” to either question we respectfully ask you to postpone your visit, and to inform your point of contact at the facility and/or your employer that you will have to come back another day. If you answered “**YES**” to both questions, you are encouraged to seek medical advice as directed by local health requirements.

For TSG Only:

Attendant if someone answers **YES** to one or both questions, please take down their name, who they work for and politely ask them to leave the property. If there are any concerns please call the General Manager immediately.
