

PURCHASE-LINKED *Promotions*

LINK PROMOTION PARTICIPATION & ACTIVITY TO TRANSACTIONS AT RETAIL

Our Experiences

All Receipts | All Retailers | All Phones

GIFT-WITH-PURCHASE

It's never been easier to reward consumers who buy your brand! Run a gift-with-purchase or collect & get promotion without apps, special codes, or complex point-of-sale integrations.

CONTESTS

Create, execute, and measure contest experiences – from rules, regulations and administration, to entry mechanics, data capture and prize fulfillment. We deliver an end-to-end contest experience!

Added FEATURES

Surveys (and Quizzes)

Add-on at the end of a promotion for instant customer feedback. Receive response rates as high as 35%.

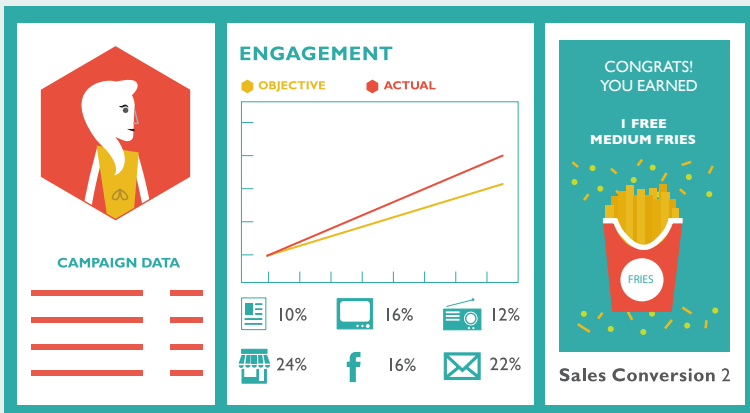

Multi-Channel Messaging

A single consolidated messaging stream maintains conversation through forms, email, and text.

CRM Database

Subscriber database management (collect and own your customer data). Segment behaviour and activity to optimize for personalization.

Results DELIVERED

Every MobileXCo Experience comes with a real-time dashboard that provides measurable ROE (return on experience) data.

- Monitor receipt uploads and reward distribution
- Track social sharing and referrals
- Get detailed information about customers
- PayPal integration (for cash back offers)
- Basket & SKU-level reporting

Try it out by texting **RECEIPT** to **765411**

Std. message & data rates apply.
