

# FOCUS™ X1

## BODY WORN CAMERA

## FEATURES AND BENEFITS

### NO COMPROMISE DESIGN

FOCUS™ X1 is the first product in the industry to truly deliver on the operational needs of the officer – no distractions.

### TRUE FULL SHIFT BATTERY LIFE

12 hours of battery life at 720p HD with pre-event buffering.

### REMOTE ACTIVATION READY

X1 can be configured to remotely trigger based on vehicle sensors such as light bar, siren, doors, etc.

### STAY CONNECTED

X1 is equipped with the latest technology to share information between all of your devices. Faster charge through rugged pogo pin connection.

### RAPID VIDEO UPLOAD

Automatically upload video in minutes, rather than hours, utilizing the COBAN Smart Cloud, powered by Microsoft Azure® Government; upload speeds under five minutes per hour of HD recording.

### INTUITIVE CAMERA ALERTS

X1 can easily be configured to notify the user of camera status via vibration, audible, or LED modes. X1 also has a simple LCD to verify the status of battery life, connectivity, and storage.

### ADAPTABLE MOUNTING CHOICES

Flexible mounting and camera options that can easily be securely attached anywhere on a uniform or vest, including an optional clip-on IR camera.

### UNPARALLELED NIGHTTIME VIDEO

X1 delivers low light video capture under the most challenging conditions to depict what the eye can see.

### IN-CAR DEVICE INTEGRATION

X1 is compatible with COBAN in-car video systems, Android™ devices, and laptops for viewing, tagging, and uploading. Both the body camera and in-car video can be uploaded over WiFi together, with body camera video transferred to the in-car system.
