

THE SENIOR HELPERS® DEMENTIA CARE WORKSHOP SERIES

# Recognizing & Understanding the Progression of Dementia

## Using the Senior Gems®

### 6-PART SEMINAR SERIES

Mondays, July 9 – August 13, 2018

Attendees of these seminars will gain an understanding of the progression of dementia through the Senior Gems®, a proprietary program developed by Senior Helpers and dementia expert Teepa Snow. You will learn effective strategies, what to avoid and specific characteristics to look for in those with possible symptoms. The goal is to move away from recognizing the losses and instead see what's possible with the right setting and the right kind of care.

**Where:** The Williamsburg by Revera  
1893 Appleby Line, Burlington, ON L7L 0G5

**Time:** 1:30 p.m. – 2:30 p.m.

R.S.V.P. Seating is limited!
