SCHOOL PROFILE

Score At The Top was established as a learning center in Vero Beach, Florida in 1992. It has since expanded to four schools (each referred to locally as “Score Academy”) and learning centers in south Florida. All locations are accredited by AdvancED and the Southern Association of Colleges & Schools Council on Accreditation and School Improvement (SACS CASI), and are approved by SEVIS for international students. Our AP courses and teachers have been individually approved by the College Board. Core courses in our Palm Beach County schools are accepted by the NCAA Eligibility Center. Some of our locations are approved to accept Florida’s McKay and Step Up for Students Scholarships.

Score Academy offers full-time and part-time private school opportunities to students who choose to learn in a 1-on-1 or small-group setting.

Full-time students typically take 4-5 core academic courses and up to 2 electives each semester; these students attend 1-on-1 or small-group classes for approximately 20-25 hours/week, Monday through Friday. We also create special programs for part-time students, such as a plan that combines independent study with scheduled class time, or one in which a student takes some classes at Score Academy and other classes in a traditional school or through accredited online providers like Florida Virtual School. Like any other school, Score Academy gives students homework, research assignments, scheduled tests, and quizzes. However, the amount of work each student is assigned is tailored to his or her specific needs and academic goals.

Score Academy matches the curriculum to each student’s specific learning style and personal goals. Because one curriculum does not fit all students, we recommend the best one to fulfill each student’s educational plan. We offer courses in all subject areas across all grade levels, from kindergarten through 12th grade, and at all educational levels, from remedial and regular to honors and Advanced Placement. In addition to our own curriculum, we have successfully used other accredited curricula, including the student’s previous, current, or next school; Florida Virtual School; and our local public and private schools.

College Preparatory Diploma Requirements

- English: 4 years
- Mathematics: 4 years (Algebra I & 2; Geometry; plus one, more advanced year-long course)
- Science: 3 years (including biology with laboratory)
- Social Science: 3 years (World History, US History, Government/Economics)
- Foreign Language: 2 years (same language)
- PE/Health: 1 year
- Computers/Life Skills: 1 year
- Arts: 1 year
- Electives: 5 years

Our faculty are degreed specialists with extensive subject knowledge and significant teaching or tutoring experience. They possess a passion for teaching coupled with a thorough understanding of their subjects, expert study skills, and effective communication skills. Individualized teaching based upon a student’s unique learning style requires real expertise – and the Score Academy faculty have it. They truly engage a student in the learning process.

SCHOOL PROFILE

Score Academy focuses on one student at a time, creating an individual education plan and schedule for each student based on academic needs, learning style, and personality. Thus, we are in a position to accept any student who has the potential to succeed in our environment. Our open enrollment policy enables us to accept students throughout the school year, not just at the start of a semester. Ideal candidates for our private school are those students whose parents desire the benefits of the highest level of education with a one-on-one teacher-student connection, students who are between schools, and students with specific learning needs.

Score Academy keeps parents up-to-date with daily progress reports; we issue report cards on a quarterly basis and official transcripts at the end of each school year.

On a District-wide basis in 2015-2016, Score At The Top provided educational support to 1,975 students, 207 of whom were enrolled on a full-time or part-time basis at Score Academy:

	Boca Raton	Coral Sprgs & Weston	PB Gardens	Wellington	TOTALS
Full-Time	41	8	42	12	103
Part-time	34	9	45	16	104
TOTALS	75	17	87	28	207

On a District-wide basis, Score Academy has graduated more than 80 students since 2009, with our largest graduating classes (19 students and 18 students) in 2015 and 2016, respectively. To date, ~95% our graduates have continued their education in 4-year colleges; they have been accepted by the following colleges:

American Musical & Dramatic Academy
 Arizona State University
 Auburn University
 Barry University
