Tutoring, Test Prep, and Courses for Credit that Help Students Achieve their Academic Goals

Engage in Learning • Score Higher
Fulfill Your College Dreams

Students have the potential to excel – but do they have the necessary tools and guidance?

Many students struggle to attain academic success. Unsatisfactory grades and test scores, low motivation, lack of study skills, interruptions to schooling, learning challenges, or uncertainty over college admissions – any one of these alone can throw educational plans off-track.

We understand the challenges – and help you overcome them!

For over 35 years, Score At The Top's professionals have guided students toward promising futures by identifying and amplifying their strengths. Together with students, we work to define and fulfill a meaningful educational vision.

Get Support • Get Ahead All Subjects • All Levels

Learn from Our Experts:

- One-on-one, personalized attention
- Academic content blended with study skills
- Mentoring relationships
- Motivational support

Our professional instructors are academic experts with bachelor's degrees or higher. Their outgoing personalities and mentoring style provide a key to successful tutoring.

Parents are emailed a progress report after each session.

Your tutors are above and beyond professional, fun, and able to identify and really teach today's students. Their level of experience and knowledge in the subject matters exceed expectations with tutors having Masters degrees in various subjects My daughter has excelled because of the excellent tutoring that help set a strong basis for her success.

- Allison G

Test Prep

SAT • ACT • PSAT • AP • IB • AICE • FSA • EOC • GED

Top scores are a determining factor in college admissions, placement, scholarships – and even financial aid.

Guidance and Support

- We help students choose the right test (SAT or ACT) based on their strengths
- We develop testing calendars that help students prepare, practice, and *score at the top!*
- We're experts at analyzing and interpreting test scores, helping students to focus on precisely the content areas that require attention

Unrivaled Expertise

- Our test-prep programs are designed by our founder, Judi Robinovitz, who wrote the College Board's first test-prep software and strategy chapters of their first test-prep books.
- Judi literally "wrote the book" on SAT and ACT test prep with our proprietary, 200+ page Score At The Top Strategy Workbooks, the foundation for our test-prep services
- Judi achieved a perfect 1600 on the SAT

Top Test-Prep Tutors

- We are degreed professionals who regularly score in the top 5% on the tests for which we tutor
- Each of us completes an extensive training program developed by Judi Robinovitz
- We improve student test scores the smart way – through private and small-group sessions
- We rely on actual tests and proven test-taking strategies to build skills, boost confidence, and reduce test anxiety

OVER 35 YEARS OF TOP SCORE GAINS!

“

My daughter did ACT prep here, and I can't even begin to express how much your tutors have helped her. She went up 7 plus points in every subject!!! My daughter took it seriously and she scored well... We will forever appreciate Score At The Top tutors for their help!!

- Charlene D

Courses for Credit

Regular • Honors • AP

Whether you need grade forgiveness or want to get ahead, we can help!

Why take a course for credit?

- Make up a failed course
- Recover a poor grade
- Strengthen your academic record
- Improve your GPA
- Raise your class rank

Individualized attention

- One-on-one classes arranged at your convenience
- Small group classes for friends who want to take a course together

Flexible scheduling

- After school, evenings, or weekends
- School year and summer classes
- Virtual classes available

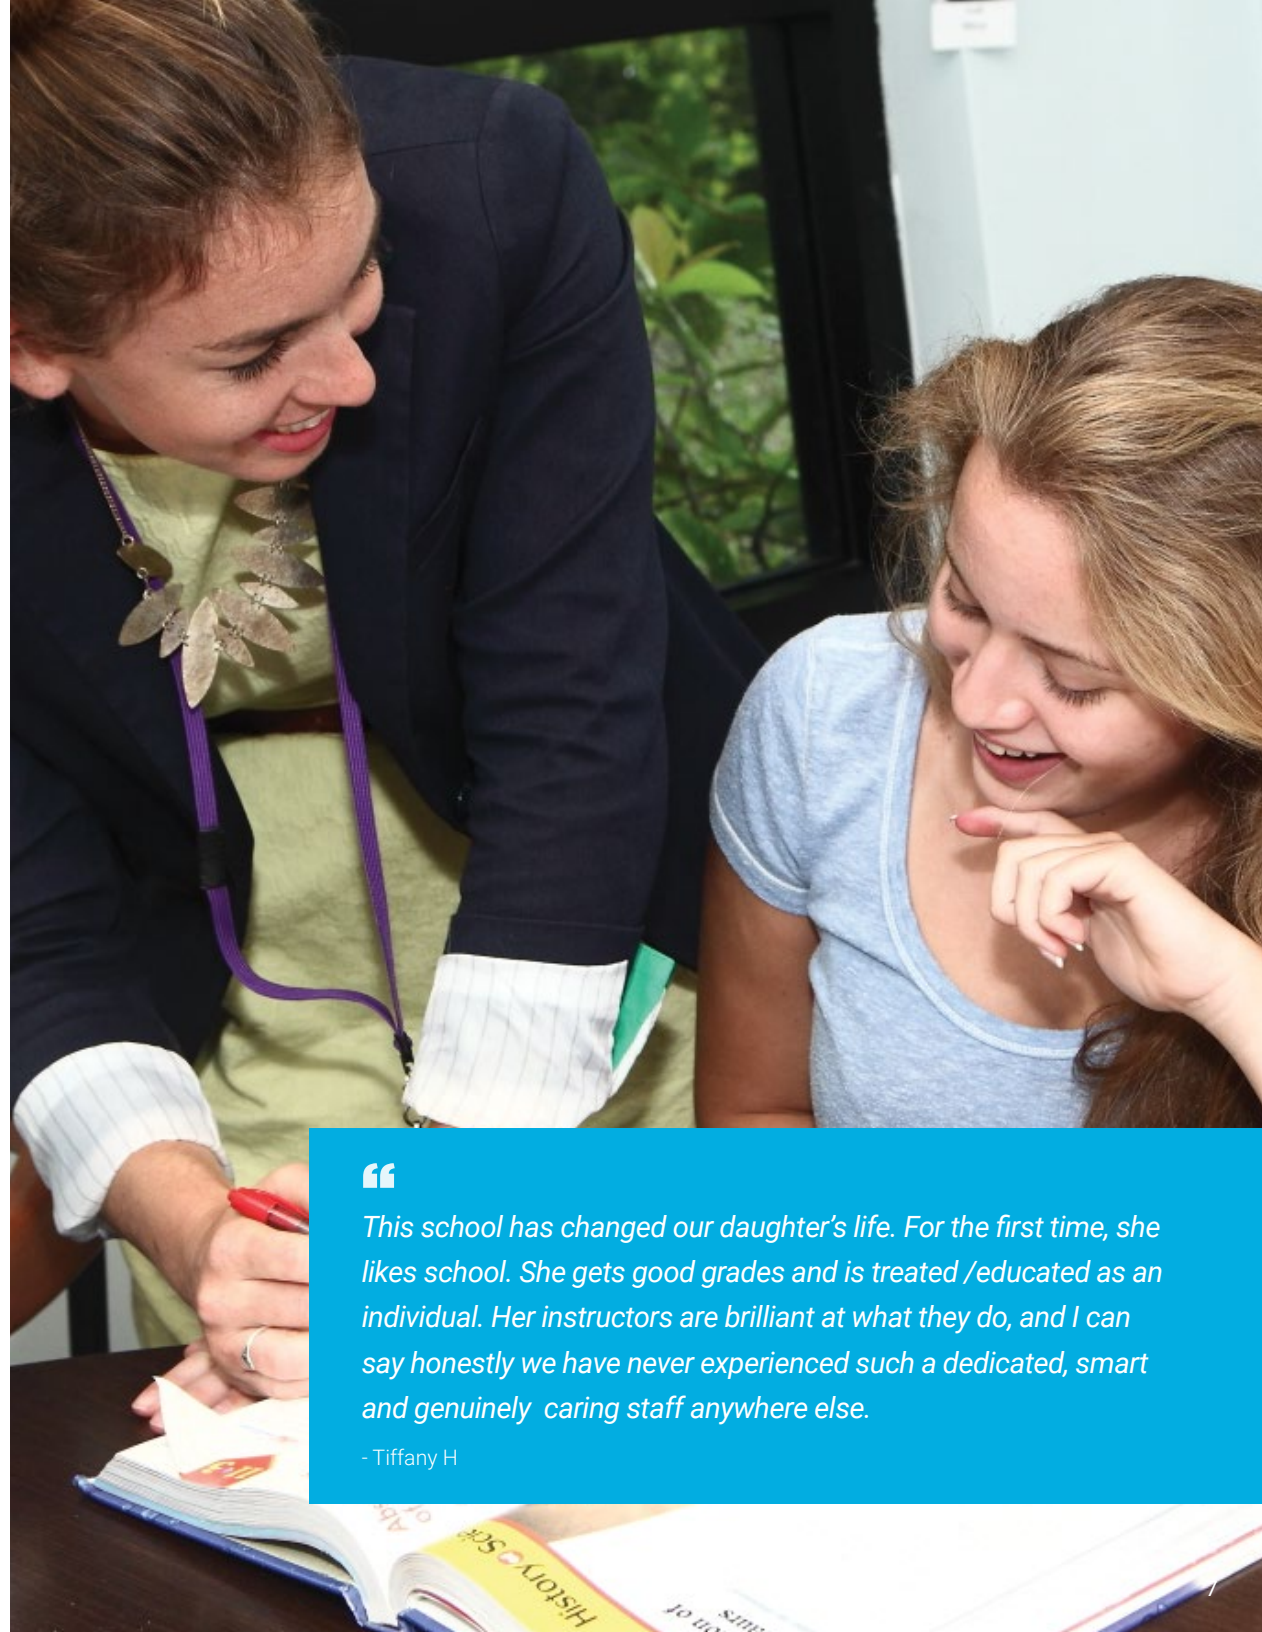

Open Enrollment

- Register to begin classes at any time throughout the calendar year
- Enroll in just a course or two – or full-time as a Score Academy student

AP courses approved by College Board. Core courses approved by the NCAA. Accredited by AdvancED.

Credits accepted by schools and colleges throughout the world

**ASK ABOUT SCORE ACADEMY,
OUR FULL-TIME PRIVATE SCHOOL!**

This school has changed our daughter's life. For the first time, she likes school. She gets good grades and is treated /educated as an individual. Her instructors are brilliant at what they do, and I can say honestly we have never experienced such a dedicated, smart and genuinely caring staff anywhere else.

- Tiffany H

Guidance Services

Educational Consulting for Admission to:

- Colleges
- Graduate, law, medical and business schools
- Boarding schools
- Local private schools
- Summer and gap-year programs
- Therapeutic boarding schools and wilderness therapy programs

Judi Robinovitz, Certified Educational Planner, and our team of guidance experts collaborate with families to identify and help students apply to the “best fit” schools.

Over 95% of our clients have been accepted to their top choice colleges and schools!

“

To keep it short, Score at the Top is one of the absolute best tools you can use throughout high school and into college. My family and I were fairly unfamiliar with the college application process and how I'd make myself stand out to admissions officers, but Judi made that all things of the past. With her guidance, I find myself ready to start my freshman year at Duke this fall.

- Aqib M

Over 35 Years of Success

Score At The Top Learning Centers & Schools have been family owned and operated since 1980, when Judi Robinovitz, Certified Educational Planner, started the company in New Jersey.

When Judi moved to Florida in 1992, she opened the first Score At The Top in Vero Beach with the help of her husband Alan. The company has grown to more than 100 professional teachers and tutors serving families

in several locations throughout Palm Beach and Broward Counties – with more to follow. In 2008, Judi's son Jason joined the company to continue the family legacy.

All Score At The Top locations are accredited by AdvancED and the Southern Association of Colleges and Schools Council on Accreditation and School Improvement (SACS CASI). Accreditation reflects our commitment to top quality services and continuous improvement.
