COMMERCIAL CLEANING

RESET RESTART REOPEN

General Recommended Guidelines

- Consider daily temperature checks prior to starting the workday. CDC guidance states the minimum temperature that indicates a fever is 100.4°F.
- Practice social distancing.
- PPE should be worn at all times.
- Communication should be provided to customers as to what measures are being taken to keep everyone safe during service.
- Employees should be encouraged not to carpool to service locations when feasible.
- Ask customers to wear PPE.
- Provide additional training and certifications where possible.
