

# EPEC Manager Guide

Research shows that the number one factor in the retention of knowledge is manager involvement with employee learning. To help you stay involved with your employee's journey through EPEC, we have compiled some resources for your reference and for your use in discussions with your learner.

These documents are posted in the main EPEC Forum Community Library or click the links below to go directly to the downloads (you will need to log in with your NAED username and password to access them).

## Tips to Complete EPEC

The [Tips to Complete EPEC](#) document provides advice and suggestions to help ensure completion and success in the EPEC program. It is directed toward EPEC students, but it is a great reference for you to help guide and mentor them through their journey as well.

## EPEC Course Outlines

These documents list the module objectives and chapters for all the EPEC programs to provide an overview of the topics covered and to help you support your employees' progress through the programs.

## EPEC Path & Resources

The EPEC Path & Resources documents show the sequence of learning activities in each program and the range of resources that are available to the student. Review this material with your employees to ensure they understand how they can succeed in their EPEC journey.
