

EPEC Manager Guide

Research shows that the number one factor in the retention of knowledge is manager involvement with employee learning.

To help you stay involved with your employee's journey through EPEC, we have compiled some resources for your reference and for your use in discussions with your learner.

These documents are posted in the main EPEC Forum Community Library or click the links below to go directly to the downloads (you will need to log in with your NAED user name and password to access them).

Tips to Complete EPEC

The [Tips to Complete EPEC guide](#) provides advice and suggestions to help ensure completion and success with the EPEC program. It is directed toward EPEC students but is a great reference for you to help guide and mentor them through their journey as well.

EPEC Course Outlines

Review the objectives and chapter outlines of the EPEC courses to get an overview of the topics covered and be able to check in with your employees on their understanding of the material.
