VDV

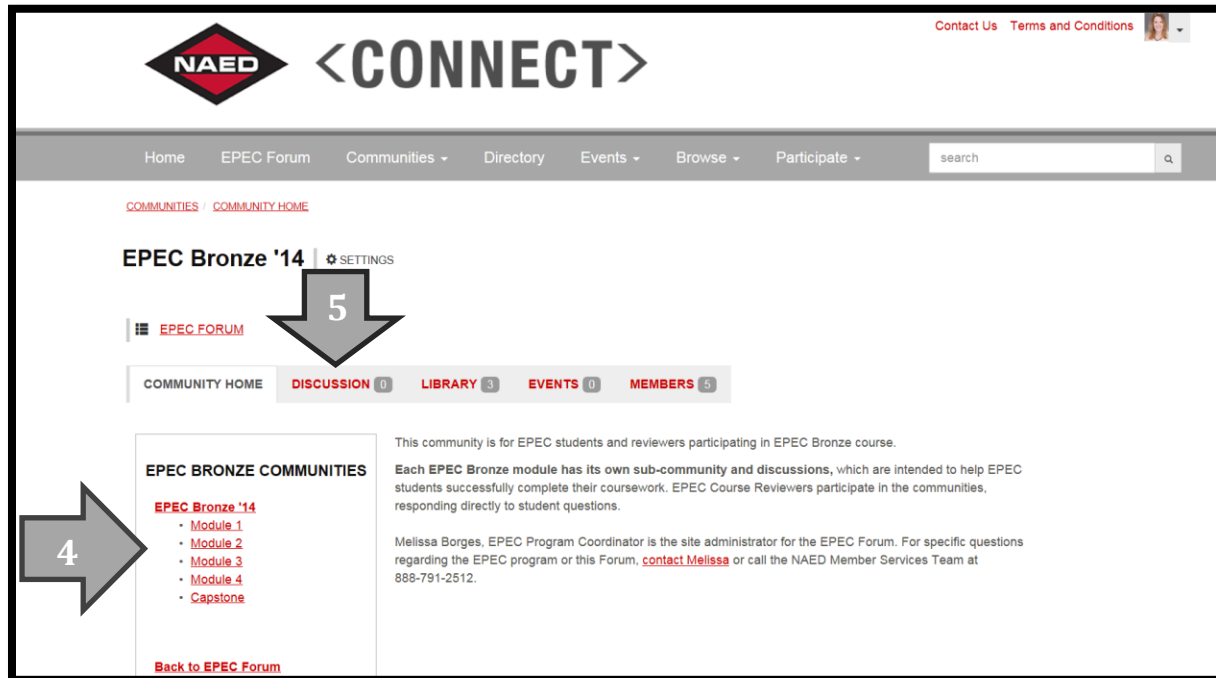

This community is for EPEC students and reviewers participating in EPEC Bronze, EPEC Silver, EPEC Gold, EPEC Lighting, EPEC Automation and Voice-Data-Video (VDV) courses. These courses provide information about individual products, their applications and how they are interrelated with other products in electrical systems. Originally developed in 1986, the Electrical Products Education Course (EPEC) has more than 11,000 graduates. EPEC has become known as the cornerstone of sales and product training in the electrical distribution industry.

Each EPEC course and module has its own sub-community and discussions, which are intended to help EPEC students successfully complete their coursework. EPEC Course Reviewers participate in the communities, responding directly to student questions.

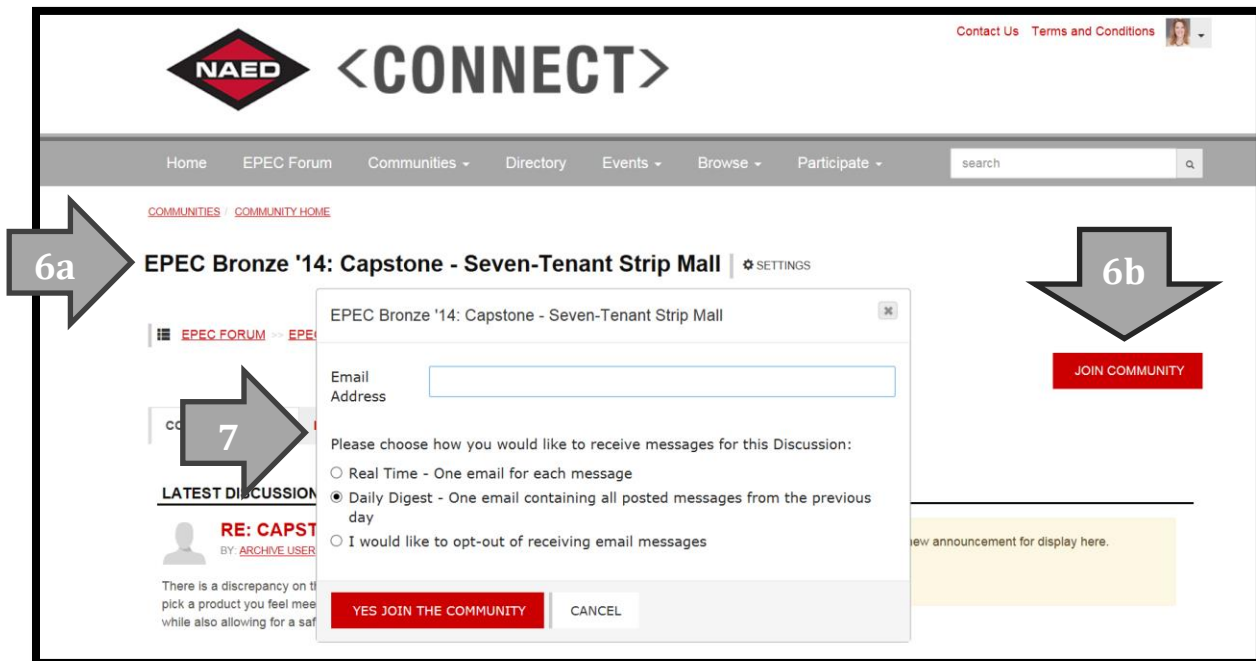

Melissa Borges, EPEC Program Coordinator is the site administrator for the EPEC Forum. For specific questions regarding the EPEC program or this Forum, [contact Melissa](#) or call the NAED Member Services Team at 888-791-2512.

EPEC Forum Quick Start Guide

Once you find the level (3 *previous photo*) and module (4 *below*) that you wish to explore, click the DISCUSSION tab (5) to view all of the questions/threads in that section.

If you'd like to subscribe to a community to post a question or be notified of activity within that community, from the community landing page (6a), just click "Join Community" on the right (6b). Subscribing is not necessary if you just want to view the existing questions without future notifications.

A box will pop up asking you for your notification preferences (7) as to how often you'd like to be notified via email when activity occurs within that community. (Anytime you wish to follow a thread, you must click JOIN COMMUNITY to post questions or receive notifications following that specific question/thread.)

The screenshot shows the EPEC Forum interface. At the top is the NAED logo and the word '<CONNECT>'. Below is a navigation bar with links: Home, EPEC Forum, Communities, Directory, Events, Browse, Participate, and a search bar. The main content area is titled 'EPEC Bronze '14: Capstone - Seven-Tenant Strip Mall'. Below this is a breadcrumb trail: EPEC FORUM > EPEC BRONZE '14. There are tabs for COMMUNITY HOME, DISCUSSION (51), LIBRARY (1), EVENTS (0), and MEMBERS (3). A sub-header indicates '1 to 30 of 30 threads (81 total posts)'. Below this is a table of threads with columns for Thread Subject, Replies, and Last Post. An arrow labeled '8a' points to the first thread, 'CAPSTONE UNIT HEATERS'. To the right of the table is a 'POST NEW MESSAGE' button, which is pointed to by an arrow labeled '8b'.
